

CREDIT BY ASSESSMENT THROUGH AMERICAN COUNCIL ON EDUCATION (ACE)

Students will receive credit for courses completed in service schools and in Military Occupational Specialties (MOS) on the basis of recommendations made by the American Council on Education (ACE) (<https://www.acenet.edu/Pages/default.aspx>) in its Guide to the Evaluation of Educational Experiences in the Armed Services and the National Guide to Educational Credit for Training Programs.

Credits received are subject to the same policies as those of any other transfer credit.

Students who are active military or reservists and participated in the off-duty, voluntary education programs of the Department of Defense, may receive credit for coursework taken while active military or in reserves.

Recommendations made by ACE for vocational or technical credit are considered on the same basis as and with the same limitations as those placed in nonmilitary sources of credit.
