

PROJECT LEAD THE WAY

Undergraduate students may earn credit through Project Lead the Way through qualifying end of course examination scores

Students must:

1. Complete the designated Project Lead the Way (PLTW) course,
2. Earn at least a B in the course, and
3. Score the minimum score (as indicated below) on the end of course (EOC) examination

The Office of University Registrar will award credit only upon receipt of official results directly from Project Lead the Way.
