DEGREE CONFERRAL

Saint Louis University will award a degree if all requirements are met prior to the published semester/term conferral dates.

The awarding of a degree will be deferred to the next published conferral date if any requirements are fulfilled by a course that either begins or ends after published conferral date.

The one exception is, per the Incomplete Course policy, courses with approved course extensions for a graduating student must be completed and graded within 30 calendar days of the published conferral date.
