

GRADE POINT AVERAGE (GPA)

School of Law

The School of Law students' cumulative grade point average (GPA) is determined by dividing the total quality points earned by the total grade point average credits attempted, and truncating at three digits to the right of the decimal point.

Undergraduate and Graduate Students

All other students' cumulative grade point average (GPA) is determined by dividing the total quality points earned by the total GPA credits attempted, and rounding at two digits to the right of the decimal point.

All grades for which quality points are indicated in the "Grading Scale" are included in the cumulative GPA, except:

- Grades for undergraduate courses below the 1000-level.
- Grades for excluded repeat courses, see the Repeating Course Policy for additional information.

Note: Courses transferred from other colleges/universities do not have quality points assigned; therefore do not apply toward a student's GPA.
