PASS/NO PASS OPTION

To enroll in a course on a pass/no pass basis undergraduate students must:

• Submit completed Petition for Pass/No Pass Grading Scale and
• Receive approval by the instructor.

The Pass/No Pass option may only be petitioned for elective courses. Therefore, a Pass grade will count toward the 120-credit minimum graduation requirement. A Pass grade may not be used to satisfy a course prerequisite. A Pass grade cannot be applied to any of the following:

• Required lower and upper division courses within each college or school,
• Required course for a major,
• Required course for a minor,
• Required course for a concentration or
• Required course for a certificate

Both grades of Pass/No Pass are not awarded quality points and therefore are not calculated in the cumulative grade point average.

A course registered with a standard grade may be changed to a Pass/No Pass grade only through the last day of the add/drop period.
