REGISTRATION SEQUENCE

Undergraduate Students
The undergraduate registration sequence is based on student classification. See Classification policy for additional information.

The registration sequence begins with seniors followed by juniors, sophomores and freshmen.

The following students are granted priority registration: student athletes, University Honors Program students, SSS grant students, ROTC students (beginning Fall 2021), students on an approved non-Madrid study abroad program, veterans and students with early registration accommodations.

School of Law
First-year law students are registered by the Registrar’s office for all first-year core curriculum courses. Your schedule for the fall semester should be available in mid-July.

Upper level law students registration occurs first through a priority system and second, through open registration.

Graduate Students
Registration for graduate students opens at the same time for all students.
