

CREDIT FOR PRIOR LEARNING

Undergraduate students may receive credit for prior learning through the following means:

Credit By Assessment

Students will receive credit for courses completed in service schools and in Military Occupational Specialties (MOS) on the basis of recommendations made by the American Council on Education (ACE) (<https://www.acenet.edu/Pages/default.aspx>) in its Guide to the Evaluation of Educational Experiences in the Armed Services and the National Guide to Educational Credit for Training Programs.

Credits received are subject to the same policies as those of any other transfer credit.

Students who are active military or reservists and participated in the off-duty, voluntary education programs of the Department of Defense, may receive credit for coursework taken while active military or in reserves.

Recommendations made by ACE for vocational or technical credit are considered on the same basis as and with the same limitations as those placed in nonmilitary sources of credit.

Credit By Exam

Undergraduate students may earn credit by exam only through qualifying scores on the following examinations:

- Cambridge International A Level
- College Board Advanced Placement (AP) (p. 1)
- College Level Examination Program (CLEP) (p. 2)
- Defense Language Institute Foreign Language Center (DLIFLC)
- French Baccaalaureate (p. 2)
- Health Education Systems, Inc. (HESI)
- International Baccaalaureate (IB) (p. 2) Higher Level (HL) (p. 2)

An examination for credit cannot be taken while enrolled in, after enrollment or after withdrawing from the course in which the examination for credit is requested.

The Office of University Registrar may award credit only upon receipt of official results directly from the testing service.

- [^] For each **International Baccalaureate (IB)** score, credit will be given only for the level indicated.

High School Dual Enrollment

1818 Advanced College Credit Program

College Credit earned through high school dual enrollment or dual credit outside of Saint Louis University's 1818 program is evaluated for transfer credit following the university transfer credit policy.

Transfer Credit

Students who have completed (or plan to complete) coursework at regionally accredited colleges or universities may request an evaluation for transfer credit.

Coursework may be considered for transfer credit if all of the following conditions are met:

- The coursework is completed at a regionally accredited institution or dean-approved international institution.
- The final grade posted for each potential transfer course is a "C" letter grade (or above).
- The Office of the University Registrar has received either
 - a sealed official transcript, sent to the Office of the University Registrar, One Grand Blvd. St. Louis, MO 63103, or
 - an official electronic transcript sent to registrar@slu.edu.

Students may be asked to provide a syllabus containing a written description of the course(s) from the other institution.

Transfer credit may be awarded for which Saint Louis University has no equivalent course. This credit may be accepted as Requirements (#REQ) Elective (#ELE).

- Courses articulated as #ELE will apply to general elective requirements only[†].
- Courses articulated as #REQ will apply toward requirements in general electives, college/school cores, majors, minors and concentrations.
