

PAYMENT OF TUITION AND FEES

Payment of tuition, fees, and deposits (not covered by financial aid awards) must be made after registration for classes at Saint Louis University.

Initial billing statements are mailed to students' permanent addresses by the Office of Student Financial Services. Subsequent billing statements will be mailed to students' local addresses, or if specified, the billing address. Billing statements are generated on a monthly basis. If registration changes occur outside of our billing cycle you can view up-to-date billing information via mySLU's Payment Suite (<http://myslu.slu.edu/>).

For additional information about payment arrangements, see the Office of Student Financial Services (<https://www.slu.edu/financial-aid/contact.php>).

Late Payments

Students enrolled in the payment plan with an enrollment fee will automatically be switched to the 1% interest charge plan if payments are not kept. Interest charges and late fees will not be assessed until after Sept. 1 for the fall semester and Feb. 1 for the spring semester.

Nonpayment on Account

If any tuition, fees or charges owed to the University are not paid as and when due, we reserve the right to withhold transcripts or diplomas related to your enrollment and cancel your enrollment for a current term and/or registration for future terms.
