

TUITION (SUMMER)

Rates Subject to Change

Once a student registers for a course the student remains financially obligated for the course unless and until he or she drops the course by the prescribed deadlines for dropping and adding courses.

Students enrolled in Summer courses are assessed tuition and fees associated with the college/school/center of the course, regardless of their primary college/school/center.

Students with full-time[†] time status will pay full-time tuition and fees while students with less than full-time time-status will pay part-time tuition and fees. See the Time Status (<http://catalog.slu.edu/academic-policies/academic-policies-procedures/time-status>) policy for more information.

All Tuition and Fees listed below are for the Summer semester, unless otherwise noted.
