TUITION & FEES

Rates Subject to Change

Once a student registers for a course the student remains financially obligated for the course unless and until he or she drops the course by the prescribed deadlines for dropping and adding courses.

Students enrolled in Fall and Spring courses are assessed tuition and fees associated with their primary college/school/center, regardless of the course(s) taken. Students enrolled in Summer courses are assessed tuition and fees associated with the college/school/center of the course, regardless of their primary college/school/center.

Students with full-time¹ time status will pay full-time tuition and fees while students with less than full-time time-status will pay part-time tuition and fees. See the Time Status (https://slu-preview.courseleaf.com/academic-policies/academic-policies-procedures/time-status) policy for more information.

All Tuition and Fees listed below are for the Fall and Spring semesters, unless otherwise noted.

Additional information on Miscellaneous Fees (http://catalog.slu.edu/academic-policies/student-financial-services/fees)

Additional information on Summer Tuition (http://catalog.slu.edu/academic-policies/student-financial-services/tuition-summer)

¹ Undergraduate students enrolling in more than 18 credits are considered in an overload and additional tuition will be charged at the standard per-credit rate for all additional credits above 18 credits in Fall or Spring. See the Overload of Fall/Spring Credits (Undergraduate) (http://catalog.slu.edu/academic-policies/academic-policies-procedures/overload-credits) policy for more information.
