ECONOMICS, MINOR

A highly customizable minor in economics from Saint Louis University's Richard A. Chaifetz School of Business (https://www.slu.edu/business/) can complement a major in another discipline, such as the health professions, engineering, political science, public policy or law.

Through the Chaifetz School’s economics curriculum, students will learn to apply theory and problem-solving skills while balancing public policy with the choices faced by today’s society. Students receive a solid introductory background in the field, taking core classes in macro- and microeconomics, econometrics and business statistics.

Students may pursue a wide variety of elective courses based on their interests. The economics minor is available to both business and non-business students.

$§ Additional prerequisite: MATH 1200 College Algebra (3 cr).

† Additional prerequisite: MATH 1320 Survey of Calculus (3 cr) or MATH 1510 Calculus I (4 cr).

Continuation Standards

Students must maintain a minimum 2.00 grade point average (GPA) in all courses used to fulfill minor requirements. If the minor GPA falls below a 2.00, students will have one semester to increase their minor GPA to a 2.00, or they will not be allowed to enroll in 3000- and 4000-level minor courses.
