  Latin & Greek Undergraduate Program Coordinator
Dan Nickolai, Ph.D.
  Director of the Language Resource Center

Overview
The department explores languages, literatures, and culture with the goal of appreciating the complexities of the global human experience in the increasingly interconnected world. In this challenging age of globalization, college graduates who can function in more than one language have some of the broadest opportunities for employment and advancement. By teaching students to engage with languages and cultures from Asia, Europe and Latin America, the faculty encourages leaders of tomorrow to explore innovative and collaborative ways of communicating across cultural boundaries.
