

SPANISH, B.A. TO SPANISH EDUCATION, M.A. ACCELERATED PROGRAM

Saint Louis University's Spanish B.A. to Spanish Education M.A. accelerated program offers qualified Spanish majors the opportunity of beginning work toward the master's degree in Spanish education while completing the requirements for the bachelor's, thereby reducing the time needed to earn the master's degree.

Students will be eligible to apply for the accelerated program after 45 undergraduate hours and a GPA of at least 3.00 in their Spanish coursework. It is recommended that students apply to and enter the accelerated program by the second semester of their junior year.

For additional information, see the catalog entries for the following SLU programs:

Spanish, B.A. (<https://catalog.slu.edu/colleges-schools/arts-sciences/languages-literatures-cultures/spanish-ba/>)

Spanish Education, M.A. (<https://catalog.slu.edu/colleges-schools/arts-sciences/languages-literatures-cultures/spanish-education-ma/>)

Requirements

Admission Requirements

- Applicants will have a GPA of at least 3.00 in their Spanish coursework.
- A Professional Goal Statement.
- Writing Sample.
- Curriculum Vitae.
- Interview in Spanish.
- Names of at least 3 members of LRC with whom the student has taken a 3xxx or 4xxx course.

Program Requirements

In the accelerated program, student progress is monitored by the Spanish Undergraduate Program Coordinator, the Spanish Graduate Program Coordinator, and the student's mentor. Students in the accelerated program can take up to 15 credits of graduate coursework from the Spanish Education, M.A. that can count towards the Spanish, B.A. requirements their senior year. Students are limited to taking no more than 15 credits total between undergraduate and graduate coursework the fall and spring semesters of their senior year.

Continuation Standards

1. For the B.A. degree, students must maintain a cumulative GPA of at least 2.00 (C) and a GPA of at least 3.00 (B) in their coursework in Spanish.
2. A grade of at least "B" is required, in graduate courses taken as an undergraduate, in order for that course to be counted for the M.A. degree. If the grade is lower than a B (but not lower than a C), the 5000-level course can still count towards the B.A., but not towards the M.A.
3. For the M.A. degree, students must maintain a cumulative GPA of at least 3.00 (B) and a GPA of at least 3.00 (B) in their coursework in Spanish.

While students in the accelerated B.A. to M.A. (ABM) program retain undergraduate status, the policies for continuation in the program will

mirror those already in place for continuation in the bachelor's program, except that they must maintain at least a 3.0 GPA in both the major and overall transcript with no more than one grade of C or below and carry no more than one incomplete grade [I] or missing grade into a new semester. Students who drop below these standards while in the ABM program would be able to seek a one-semester probationary period before being dropped from the ABM program. Once formally becoming an M.A. student, the continuation standards of that program would apply.

Important Notes

EDI 5820 Field Experience 1 World Languages (1 cr) [see Road Map: 1 credit, Semester 7] will not count down towards the 120 credits needed for the undergraduate degree but will count toward the Graduate degree.

The Associate Dean for Graduate Affairs will need to approve the ABM student to take this and other graduate courses while the student is still classified as an undergraduate student.

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.

Program Notes

EDI 5820 Field Experience 1 World Languages (1 cr) **does not** count toward the Spanish major OR the overall credit hours needed for the undergraduate degree. EDI 5820 would still be taken in semester seven and count toward the graduate degree, upon approval of the associate dean of Graduate Affairs.

In semesters one and two, students participate in first-year mentoring activities. In semesters three and four, students participate in second-year mentoring activities.

The schedule of courses will vary according to the student's previous experience with the language and individual preferences.
