

SPANISH, B.A.

Speaking a language other than English is a necessary asset in an increasingly globalized, complex world. Mastering Spanish, as the demand for bilingual workers in the US continues to rise, gives graduates a competitive edge in fields such as education, health care, business, international relationships, government, cultural studies, social work and law enforcement. It also enlarges one's personal horizons by increasing cultural awareness and global contacts.

- The Spanish major at Saint Louis University prepares students for careers that require proficiency in Spanish or for graduate work in Spanish.
- With the help of a team of dedicated, experienced faculty members, instructors, and mentors, Spanish majors focus on refining their language skills in Spanish, exploring the Hispanic cultural legacy through literature, linguistics, and/or culture, gaining familiarity with Spanish within professional contexts (such as health care or business), and increasing their cultural and social sensitivity. Students are encouraged to study abroad; one option is SLU's campus in Madrid, Spain.
- In the United States, Spanish has been present for more than five centuries and it is currently the second most used language, spoken at home by more than 50 million people. Spanish is spoken around the world by more than 460 million native speakers on four continents and in 21 countries. It is the third most used language on the internet, one of the six official languages of the United Nations — along with Arabic, French, English, Mandarin, and Russian — and one of the official languages of the European Union. By 2030, Spanish speakers will make up 7.5% of the world's population.
- Based on the growth of the Hispanic population and the increase of Spanish-speakers worldwide, bilingual English/Spanish ability and cross-cultural understanding are valued assets within all fields but especially so within the business world, health care fields, government, education, cultural as well as international studies, social work and law enforcement. In addition, it is reported the need for foreign language teachers will increase 20% over the next 10 years in the U.S.

Curriculum Overview

Spanish majors at Saint Louis University achieve oral and written proficiency in the language while taking courses in literature, culture, linguistics, and/or Spanish for the professions. A diverse curriculum that focuses on literary, cultural and linguistic analyses provides students with an informed understanding and a critical perspective of main issues in Spanish and Hispanic societies. Thus, when graduating, a Spanish major may have taken some of the following courses:

- Advanced Spanish Grammar
- Spanish Sociolinguistics
- Spanish for the Health Professions
- English-Spanish in Translation
- The African Experience in Latin America
- Latin American Film
- Don Quixote
- Gender Stereotypes in Spanish Comics
- Spanish Jewry in Spain and in the Diaspora
- Contemporary Spanish Women Writers

In addition to coursework in the classroom, Spanish majors at SLU are encouraged to participate in service projects and social activities that help develop cultural awareness and social conscience. Thus, students are invited to be part of Sigma Delta Pi (the Spanish Honor Society), or the Spanish Club, and to participate in service projects, as well as social activities such as movie nights, cultural talks, service workshops, dinners and parties. An additional highlight is the Annual Symposium, an intellectual forum that provides students with opportunities to share their research while offering insights into the academic career.

Fieldwork and Research Opportunities

At SLU's Language Resource Center, all students have access to a wide range of multimedia technology designed to enhance the development of language and cultural proficiency. These include live satellite transmissions with news broadcasts; interactive video, film and multimedia; and a variety of computer programs.

The program encourages all students majoring in Spanish to spend one year at SLU's campus in Madrid, Spain. Besides the traditional courses in Spanish language, culture and literature, students at the Madrid campus may select from a wide variety of offerings in the humanities, social sciences and natural sciences. Many courses are taught in English as well. This experience abroad has proven to be an invaluable asset in competing for career opportunities.

Careers

A major in Spanish, complemented by a second major, uniquely qualifies students to compete and advance in many careers. Spanish graduates can develop career paths successfully in:

- Education
- Medicine and Health Sciences
- Business
- Law
- Government Work; Politics
- Social Work; Non-governmental organizations
- Foreign service
- Scientific research
- Translation and Interpreting

Admission Requirements

Freshman

Begin your application for this program at www.slu.edu/apply. Saint Louis University also accepts the Common App.

All applications are thoroughly reviewed with the highest degree of individual care and consideration to all credentials that are submitted. Solid academic performance in college preparatory course work is a primary concern in reviewing a freshman applicant's file. College admission test scores (ACT or SAT) are used as an additional indicator of the student's ability to meet the academic rigors of Saint Louis University and are used as qualifiers for certain University scholarship programs. To be considered for admission to any Saint Louis University undergraduate program, the applicant must be graduating from an accredited high school or have an acceptable score on the General Education Development (GED) test.

Begin Your Application (<http://www.slu.edu/apply.php>)

Transfer

Begin your application for this program at www.slu.edu/apply.

Applicants must be a graduate of an accredited high school or have an acceptable score on the GED. An official high school transcript and official test scores are required only of those students who have attempted fewer than 24 transferable semester credits (or 30 quarter credits) of college credit. Those having completed 24 or more of college credit need only submit a transcript from previously attended college(s). In reviewing a transfer applicant's file, the office of admission holistically examines the student's academic performance in college-level coursework as an indicator of the student's ability to meet the academic rigors of Saint Louis University.

International Applicants

Begin your application for this program at www.slu.edu/apply.

All admission policies and requirements for domestic students apply to international students along with the following:

- Demonstrate English Language Proficiency (<http://catalog.slu.edu/academic-policies/office-admission/undergraduate/english-language-proficiency>)
- Proof of financial support must include:
 - A letter of financial support from the person(s) or sponsoring agency funding the time at Saint Louis University
 - A letter from the sponsor's bank verifying that the funds are available and will be so for the duration of study at the University
- Academic records, in English translation, of students who have undertaken postsecondary studies outside the United States must include the courses taken and/or lectures attended, practical laboratory work, the maximum and minimum grades attainable, the grades earned or the results of all end-of-term examinations, and any honors or degrees received. WES and ECE transcripts are accepted.

Scholarships and Financial Aid

There are two principal ways to help finance a Saint Louis University education:

- Scholarships: awarded based on academic achievement, service, leadership and financial need.
- Financial Aid: provided in the form of grants and loans, some of which require repayment.

For priority consideration for merit-based scholarships, applicants should apply for admission by Dec. 1 and complete a Free Application for Federal Student Aid (FAFSA) by March 1.

For information on other scholarships and financial aid, visit the student financial services office online at <https://finaid.slu.edu>.

Learning Outcomes

1. Graduates will be able to articulate complex ideas and have meaningful interactions in Spanish, both orally and in writing.
2. Graduates will be able to interpret texts and artifacts produced in Spanish.
3. Graduates will possess an awareness of the diversity of the Spanish language, cultures, and Hispanic populations, and the role of Spanish as a major world language with a relevant cultural legacy.

4. Graduates will be able to engage with Spanish-speaking cultures at home and abroad. They will have gained familiarity in understanding similarities and differences between cultures.
5. Graduates will be able to use Spanish in order to expand their knowledge in other disciplines.

Requirements

Spanish students must complete a minimum total of **33 credits** for the major regardless of whether they start at SPAN 3010 Written Communication or later. No more than two SPAN courses conducted in English will be counted toward the major in Spanish.

Graduation Requirements

- Complete a minimum of 120 credits (excluding pre-college level courses [numbered below 1000]).
- Complete either the College of Arts and Sciences Bachelor of Arts or Bachelor of Science Core Curriculum Requirements
- Complete Major Requirements: minimum 30 credits required.
- Complete remaining credits with a second major, minor, certificate, and/or elective credits to reach the minimum of 120 credits required for graduation.
- Courses listed under the intensive English program do not count toward graduation requirements. EAP 1500 College Composition for International Students (3 cr), EAP 1900 Rhetoric & Research Strategies (3 cr) and EAP 2850 Nation, Identity and Literature (3 cr) count toward graduation requirements as equivalents to Department of English courses. In addition to those courses, six credits from EAP/MLNG courses at the 1000 level or higher may count toward graduation requirements
- Achieve at least a 2.00 cumulative grade point average, a 2.00 grade point average in the major(s) and a 2.00 grade point average in the minor/certificate, or related elective credits.
- Complete Dept/Program specific academic and performance requirements.
- Complete at least 50% of the coursework for the major and 75% for the minor/certificate through Saint Louis University or an approved study abroad program.
- Complete 30 of the final 36 credits through Saint Louis University or an approved study abroad program.
- Complete an online degree application by the required University deadline.

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.

¹ Students often begin their studies at SLU with previous experience in Spanish. Entering students take a placement test (SLUPE) to help determine their level. See Program Notes.

² Students can take SPAN 3010 (<https://catalog.slu.edu/search/?P=SPAN%203020>) Written Communication (0,3 cr) and SPAN 3020 (<https://catalog.slu.edu/search/?P=SPAN%202010>) Oral Communication (0,3 cr) concurrently, or separately, and in any order..

³ Students need to take two Spanish 3000-level courses beyond SPAN 3020 in any order, concurrently or separately.

⁴ It is highly recommended students complete SPAN 4200 Introduction to Spanish Literature (0,3 cr) and SPAN 4030 Introduction to Hispanic Linguistics (0,3 cr) early in the program since those courses are prerequisites to many courses in literature and linguistics, respectively. Spanish 4000-level literature courses fulfill the Core Literature Requirement. Many Spanish 4000-level courses also fulfill the Global Citizenship and the Diversity in the U.S. requirements.

⁵ Completion of a research project under the supervision of a faculty member and participation at the Department of Languages Literatures & Cultures Student Annual Symposium can enhance students' educative experience. The Annual Symposium is an intellectual forum that provides students with opportunities to share their research at local and national levels, while offering insights into academic careers.

Program Notes

The sequence of courses will vary according to the student's previous experience with the language and individual preferences. Mentors help majors make the most out of the program.

Students have several options to study abroad in a Spanish-speaking country, including on our own campus in Madrid, Spain.

SLU Spanish majors generally complete a second or even a third major in another discipline – for example, Biology, International Business, International Studies, Latin American Studies, Psychology, Sociology, Communication, Political Science, etc.
