

# INTERNATIONAL STUDIES, MINOR

Saint Louis University's international studies minor allows students to develop proficiency in a foreign language and facility with key disciplinary approaches.

requirement without taking a class will add one ISTD elective to meet the 18 hour requirement of the minor.

## Program Highlights

- Students minoring in international studies at SLU have the opportunity to learn more about world regions and examine thematic topics central to the contemporary world.
- SLU's international studies minor permits students to add an international dimension to any major.

## Learning Outcomes

1. Graduates will be able to analyze cultural, economic, political and social aspects of contemporary international issues.
2. Graduates will be able to describe how culture and national identity affect a person's perspectives.
3. Graduates will be able to estimate the global or transnational impact of local actions.
4. Graduates will be able to apply their knowledge of international phenomena to engage effectively as global citizens.
