

INTERNATIONAL STUDIES, MINOR

Saint Louis University's international studies minor allows students to develop proficiency in a foreign language and facility with key disciplinary approaches. Students have the opportunity to learn more about world regions, examine a thematic area central to the contemporary world, and integrate practical work experience or field research into the major. The international studies minor permits students to add an international dimension to any major.

Learning Outcomes

1. Graduates will be able to analyze cultural, economic, political and social aspects of contemporary international issues.
2. Graduates will be able to describe how culture and national identity affect a person's perspectives.
3. Graduates will be able to estimate the global or transnational impact of local actions.
4. Graduates will be able to apply their knowledge of international phenomena to engage effectively as global citizens.
