

# CATHOLIC STUDIES, B.A.

Saint Louis University's Bachelor of the Arts in Catholic Studies offers a unifying vision of the array of academic disciplines central to a whole and flourishing human life as understood for more than 2,000 years through the lens of the Catholic intellectual heritage.

## Program Highlights

From philosophy and theology to art and music to economics and medicine, this undergraduate major offers an integrated Catholic worldview that empowers students to see the world clearly and to understand otherwise disparate sectors of reality in relation to one another and to the implications of Christ's Incarnation. Here, material culture, creedal beliefs, philosophical commitments and spiritual practices coalesce in the truly Catholic understanding of the structuring of governments, civic engagement, economic choices, medical practices, the arrangement of family life, educational systems and the role of beauty in the public square.

## Admission Requirements

Begin Your Application (<https://www.slu.edu/apply.php>)

Saint Louis University also accepts the Common Application.

### Freshman

All applications are thoroughly reviewed with the highest degree of individual care and consideration to all credentials that are submitted. Solid academic performance in college preparatory coursework is a primary concern in reviewing a freshman applicant's file.

To be considered for admission to any Saint Louis University undergraduate program, applicants must be graduating from an accredited high school, have an acceptable HiSET exam score or take the General Education Development (GED) test.

### Transfer

Applicants must be a graduate of an accredited high school or have an acceptable score on the GED or HiSET.

Students who have attempted fewer than 24 semester credits (or 30 quarter credits) of college credit must follow the above freshmen admission requirements. Students who have completed 24 or more semester credits (or 30 quarter credits) of college credit must submit transcripts from all previously attended college(s).

In reviewing a transfer applicant's file, the Office of Admission holistically examines the student's academic performance in college-level coursework as an indicator of the student's ability to meet the academic rigors of Saint Louis University. Where applicable, transfer students will be evaluated on any courses outlined in the continuation standards of their preferred major.

- Demonstrate English Language Proficiency (<https://catalog.slu.edu/academic-policies/office-admission/undergraduate/english-language-proficiency/>)

- **Scholarships:** Scholarships are awarded based on academic achievement, service, leadership and financial need.
- **Financial Aid:** Financial aid is provided through grants and loans, some of which require repayment.

Saint Louis University makes every effort to keep our education affordable. In fiscal year 2023, 99% of first-time freshmen and 92% of all students received financial aid (<https://www.slu.edu/financial-aid/>) and students received more than \$459 million in aid University-wide.
