CATHOLIC STUDIES, BA

The B.A. in Catholic Studies offers a unifying vision of the array of academic disciplines central to a full and flourishing human life as understood for over 2,000 years through the lens of the Catholic Intellectual Heritage.

Program Highlights
From philosophy and theology, to art and music, to economics and medicine, this undergraduate major offers an integrated Catholic worldview that empowers students to see the world clearly, and to understand otherwise disparate sectors of reality in relation to one another and to the implications of Christ’s Incarnation. Here, material culture, creedal beliefs, philosophical commitments, and spiritual practices coalesce in the truly Catholic understanding of the structuring of governments, civic engagement, economic choices, medical practices, the arrangement of family life, educational systems, and the role of beauty in the public square.

Admission Requirements

Begin Your Application (http://www.slu.edu/apply.php)
Saint Louis University also accepts the Common Application.

Freshman
All applications are thoroughly reviewed with the highest degree of individual care and consideration to all credentials that are submitted. Solid academic performance in college preparatory coursework is a primary concern in reviewing a freshman applicant’s file.

To be considered for admission to any Saint Louis University undergraduate program, applicants must be graduating from an accredited high school, have an acceptable HiSET exam score or take the General Education Development (GED) test.

Transfer
Applicants must be a graduate of an accredited high school or have an acceptable score on the GED.

Students who have attempted fewer than 24 semester credits (or 30 quarter credits) of college credit must follow the above freshmen admission requirements. Students who have completed 24 or more semester credits (or 30 quarter credits) of college credit must submit transcripts from all previously attended college(s).

In reviewing a transfer applicant’s file, the Office of Admission holistically examines the student’s academic performance in college-level coursework as an indicator of the student’s ability to meet the academic rigors of Saint Louis University. Where applicable, transfer students will be evaluated on any courses outlined in the continuation standards of their preferred major.

International Applicants
All admission policies and requirements for domestic students apply to international students along with the following:

- Demonstrate English Language Proficiency
- Proof of financial support must include:
  - A letter of financial support from the person(s) or sponsoring agency funding the time at Saint Louis University
- Academic records, in English translation, of students who have undertaken postsecondary studies outside the United States must include the courses taken and/or lectures attended, practical laboratory work, the maximum and minimum grades attainable, the grades earned or the results of all end-of-term examinations, and any honors or degrees received. WES and ECE transcripts are accepted.

Scholarships and Financial Aid
There are two principal ways to help finance a Saint Louis University education:

- Scholarships: Scholarships are awarded based on academic achievement, service, leadership and financial need.
- Financial Aid: Financial aid is provided in the form of grants and loans, some of which require repayment.

For priority consideration for merit-based scholarships, apply for admission by Dec. 1 and complete a Free Application for Federal Student Aid (FAFSA) by March 1.

For information on other scholarships and financial aid, visit the student financial services office online at https://www.slu.edu/financial-aid/.

Learning Outcomes
1. Graduates will be able to articulate the central concerns of the Catholic intellectual tradition and describe key contributions made to it in both the first and second millennium of its development.
2. Graduates will be able to draw upon the Catholic intellectual tradition to describe, analyze, and evaluate developments in two or more disciplines or fields of activity, including philosophy, theology, literature, music, art, architecture, history, politics, and the natural and social sciences.
3. Graduates will be able to articulate how characteristic elements of Jesuit spirituality, such as “finding God in all things” and “discernment of spirits,” contribute to reflection on the good life and help orient Catholic engagement of culture.
4. Graduates will be able to employ methods and materials from the Catholic intellectual tradition to analyze in depth a question of contemporary cultural significance.
