

THEATRE DESIGN, MICROCREDENTIAL

The Theatre Design Microcredential consists of 6 required credit hours. Satisfactory completion of the required courses would allow the student to achieve beginning-to-intermediate knowledge and skill in the fundamental aspects of theatre design: scenic, costume, lighting, projection and sound.

Admission Requirements

For current, active Saint Louis University students wishing to declare a microcredential, complete the Update for Student Curriculum Record form (<https://ask.slu.edu/TDClient/30/Portal/Requests/ServiceDet/?ID=160>).

For non-Saint Louis University students, click here to apply as a Visiting/ Non-Degree Seeking Student. (<https://www.slu.edu/admission/visiting-students.php>)

Learning Outcomes

The student will demonstrate:

- Ability to conceptualize the world and style of the play;
- Beginning-to-intermediate skills in textual analysis;
- Ability to communicate and collaborate with the design team including directors and actors; and
- Beginning-to-intermediate understanding of fundamental design principles (e.g., line, shape, mass, color, rhythm, etc.).

Requirements

Code	Title	Credits
THR 2200	Survey of Theatre Design	3
THR 3545 or THR 4505	Lighting and Sound Design Costume and Scene Design	3
Total Credits		6

Grade of "C" or better in each required course (per the Microcredential Policy).

Students who do not achieve the "C" or better grade in a required course will be expected to repeat the course in an attempt to achieve the "C" or better grade. Students may repeat a required course one time. Failure to achieve the "C" or better grade after one repeat attempt will be dismissed from the Microcredential.
