

ACCOUNTING, MINOR

A minor in accounting from Saint Louis University's Richard A. Chaifetz School of Business (<https://www.slu.edu/business/>) provides students with a working knowledge of the fundamentals of accounting.

Accounting encompasses a broad range of skills that include interpreting, analyzing and communicating financial activity. Understanding financial information is useful for decision-making across all types of organizations and areas of interest.

Continuation Standards

Students must earn a grade of "C" or higher in all courses used to fulfill the minor.

Students must have a minimum 2.70 cumulative SLU grade point average (GPA) to enroll in 3000 or 4000-level accounting courses. If their GPA falls below a 2.70, students will have one semester to increase their GPA to a 2.70 or they will not be allowed to enroll in 3000 or 4000-level accounting courses.
