The Richard A. Chaifetz School of Business (https://www.slu.edu/business/) is a cohort-based program that begins each summer and spans three terms — summer, fall and spring. This unique program features integrated courses from different business disciplines to help students develop multi-functional approaches to solving business problems.

The fall and spring semesters include a live, team-based business simulations in the fall semester. Between the fall and spring terms, students study abroad for one week.

The fall and spring semesters include a live, team-based business analytics consulting project in which students work with local corporations or non-profit organizations. Each student will spend time each week with business partners analyzing data collaboratively and delivering real solutions to data-intensive problems. Spanning nine months, this practicum experience provides support and additional training from a faculty mentor and allows students to utilize the skills they have developed during the previous semesters.

The Career Resources Center is also committed to supporting alumni.

Recent graduates of the One-Year MBA (https://www.slu.edu/business/graduate/one-year-mba/) program are leveraging their data analytics skills, including supply chain analyst, automation solutions portfolio project manager, e-commerce specialist, consulting associate, business valuation analyst, global mobility services associate, marketing associate, business analyst consultant, consulting analyst.

Admission Requirements
The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application.

While an undergraduate degree is required for admission, a business background is not. A completed application includes:

- Completed online application (https://slu.force.com/apex/ERx_Forms__PageMaker/?pageld=PortalRegistration&temp=1&ga=2.20121848.1945195402.1634008030)
- Transcript(s)
- Two letters of recommendation
- Résumé
- Professional goal statement of fewer than 500 words
- Interview

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

Requirements for International Students
Applicants who are not U.S. citizens or permanent residents will also need to submit:

- **English Language Proficiency Scores:** For non-native speakers of English, an official English language test score report is required and must be sent directly to the institution. Scores should be no more than two years old. This program requires a TOEFL score of 80 and an IELTS broadband of at least 6.5 or a Duolingo score of 110.
  - The Graduate Programs Office reserves the right to evaluate an applicant’s English based on admissions interview and/or an English language test. Based on the results from either or both, applicants may be referred to INTO SLU for additional coursework.

- **Official Academic Transcripts:** An official transcript articulating both GPA and grades for all previous coursework is required and will be evaluated at the time of admission.
  - The Graduate Programs Office reserves the right to request an applicant submit a WES or ECE evaluation.

- **Documentation of Financial Support:** After an admission decision has been made and scholarship consideration has been assessed, students will need to complete an addendum form outlining certification of financial support for one year of study (if a student visa is required) that must be submitted with the necessary documentation. Documentation will include:
  - A letter (declaration) of financial support from the person(s) or sponsoring agency providing funds for your tuition and living expenses for the duration of your study at Saint Louis University.
  - A letter (certification) from the sponsor’s bank verifying that such funds currently are available and will be so for each subsequent year of your study at this University. The financial evidence must cover at least the expenses needed for the first year of your study.

Scholarships and Financial Aid
The Chaifetz School offers generous scholarships to make a graduate degree from our nationally ranked institution accessible. All applicants to the One-Year MBA program are automatically considered for merit scholarships at the time of admission. Additional competitive donor scholarships are also available to admitted One-Year MBAs on an application basis. Learn more about One-Year MBA scholarships. (https://www.slu.edu/business/graduate/one-year-mba/funding-your-one-year-mba.php)
For more information about other financial aid, please visit the student financial services office online at https://www.slu.edu/financial-aid/index.php (https://www.slu.edu/financial-aid/).

Accreditation
The Richard A. Chaifetz School of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB), the world’s largest business education alliance and accrediting body of business schools, ensuring continuous quality improvement in terms of curriculum, instructional resources, student selection, career placement and intellectual contributions and qualifications of the faculty. Fewer than 5% of business schools worldwide have achieved AACSB accreditation.

Learning Outcomes
• Graduates will develop a strategic level understanding of the key functions of business—accounting, economics, finance, international business, management marketing, operations and statistics.
• Graduates will practice problem analysis and decision-making. Present results of analysis, both individually and as part of teams and groups, using vehicles such as problem- and case-analysis, integrated modules, and live consulting opportunities.
• Graduates will be able to identify global trends and local practices and evaluate their impacts on organizations.
• Graduates will develop oral and written business communication and teamwork skills through a variety of methods such as case studies, simulations, experiential learning and presentations.
• Graduates will understand, recognize and evaluate ethical decision-making styles/approaches.

Continuation Standards
Students must maintain a cumulative grade point average (GPA) of 3.00 in all graduate/professional courses.

Roadmap
Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment, unless otherwise noted. This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
