FINANCE, POST-BACCALAUREATE CERTIFICATE

Saint Louis University's post-baccalaureate certificate in finance at the Richard A. Chaifetz School of Business (https://www.slu.edu/business/) consists of 12 credits of advanced graduate courses in finance.

The field of finance encompasses three closely related perspectives: how businesses raise and invest capital; how individuals allocate their savings among different investment alternatives; and how markets function to equate the demand for capital by firms and the supply of capital by investors.

With access to the world-class finance program at the Richard A. Chaifetz School of Business, a certificate in finance offers current professionals the critical skills necessary to succeed in the field. Interested students have the opportunity to pursue one of the Chaifetz School's highly-ranked master's programs upon completion of the certificate program.
