FINANCE, POST-BACCALAUREATE CERTIFICATE

Saint Louis University's post-baccalaureate certificate in finance at the Richard A. Chaifetz School of Business (https://www.slu.edu/business/) consists of 12 credits of advanced graduate courses.

The field of finance encompasses three closely related perspectives:

- How businesses raise and invest capital
- How individuals allocate their savings among different investment alternatives
- How markets function to equate the demand for capital by firms and the supply of capital by investors

Offered through the world-class finance program at SLU's Richard A. Chaifetz School of Business, a certificate in finance provides current professionals with the critical skills necessary to succeed in the field. Interested students have the opportunity to pursue one of the Chaifetz School's highly-ranked master's programs upon completion of the certificate program.

Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

- Transcript(s) from all previously attended institutions
- 1-2 letters of recommendation
- Résumé/CV
- Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

Applicants who are not U.S. citizens or permanent residents will also need to submit:

- **English Language Proficiency Scores**: For non-native speakers of English, an official English language test score report is required and must be sent directly to the institution.   - The Graduate Programs Office reserves the right to evaluate an applicant's English based on an admissions interview and/or an English language test. Based on the results from either or both, applicants may be referred to INTO SLU for additional coursework.
- **Official Academic Transcripts**: An official transcript articulating both GPA and grades for all previous coursework is required and will be evaluated at the time of admission.
  - The Graduate Programs Office reserves the right to request an applicant submit a WES or ECE evaluation.
