Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

• Completed online application (https://slu.force.com/apex/ERx_Forms__PageMaker/?pageld=PortalRegistration&temp=1&)
• Official transcript(s)
• Two letters of recommendation
• Résumé
• Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

Requirements for International Students

• English Language Proficiency Scores: For non-native speakers of English, an official English language test score report is required and must be sent directly to the institution.   • The Graduate Programs Office reserves the right to evaluate an applicant's English based on an admissions interview and/or an English language test. Based on the results from either or both, applicants may be referred to INTO SLU for additional coursework.
• Official Academic Transcripts: An official transcript articulating both GPA and grades for all previous coursework is required and will be evaluated at the time of admission.
  • The Graduate Programs Office reserves the right to request an applicant submit a WES or ECE evaluation.
• Documentation of Financial Support: After an admission decision has been made and scholarship consideration has been assessed, students will need to complete an addendum form outlining certification of financial support for one year of study (if a student visa is required) that must be submitted with the necessary documentation. Documentation will include:
  • A letter (declaration) of financial support from the person(s) or sponsoring agency providing funds for your tuition and living expenses for the duration of your study at Saint Louis University.
