ENTREPRENEURSHIP, POST-BACCALAUREATE CERTIFICATE

The post-baccalaureate certificate in entrepreneurship at the Saint Louis University Richard A. Chaifetz School of Business consists of nine credits of advanced graduate courses. Topics include generating a business model, building and evaluating a business plan, and understanding startup finance, accounting and legal issues. The SLU certificate also includes business-simulation elements and opportunities to develop a business pitch. No pre-requisite courses are required.

Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

- Completed online application
- Transcript(s) from all previously attended institutions
- 1-2 letters of recommendation
- Résumé/CV
- Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

Requirements for International Students

Applicants who are not U.S. citizens or permanent residents will also need to submit:

- **English Language Proficiency Scores**: For non-native speakers of English, an official English language test score report is required and must be sent directly to the institution. Scores should be no more than two years old. This program requires a TOEFL score of 80 and an IELTS broadband of at least 6.5 or a Duolingo score of 110.
  - The Graduate Programs Office reserves the right to evaluate an applicant’s English based on an admissions interview and/or an English language test. Based on the results from either or both, applicants may be referred to INTO SLU for additional coursework.
- **Official Academic Transcripts**: An official transcript articulating both GPA and grades for all previous coursework is required and will be evaluated at the time of admission.
  - The Graduate Programs Office reserves the right to request an applicant submit a WES or ECE evaluation.
- **Documentation of Financial Support**: After an admission decision has been made and scholarship consideration has been assessed, students will need to complete an addendum form outlining certification of financial support for one year of study (if a student visa is required) that must be submitted with the necessary documentation. Documentation will include:
  - A letter (declaration) from the sponsor's bank verifying that such funds currently are available and will be so for each subsequent year of your study at this University. The financial evidence must cover at least the expenses needed for the first year of your study.
