LEADERSHIP AND HUMAN RESOURCE MANAGEMENT, B.S.

Effectively leading and managing workers is one of the critical challenges for organizations and can be the basis of sustained competitive advantage. Leaders and human resource managers foster positive interpersonal relationships and organizational cultures. Saint Louis University's leadership and human resource management major at the Richard A. Chaifetz School of Business (https://www.slu.edu/business/) helps students develop the skills to effectively select, develop, reward and lead others.

SLU's leadership and human resource management program has fostered my intellectual and personal growth through outstanding experiences, professors, and mentors. As I begin my career, I am confident that this program has prepared me well as a leader and professional. " — Kylie Barta, Class of 2023

Students may also choose to pursue a minor in human resource management (https://catalog.slu.edu/colleges-schools/business/management/human-resource-management-minor/) in addition to their chosen major.

Curriculum Overview

SLU's leadership and human resource management undergraduate program gives students experiential opportunities both within and outside of classes to enhance their understanding of interpersonal and organizational dynamics. In learning about both the technical and behavioral aspects of leadership and human resources, students will appreciate the art and science of management.

Internships

St. Louis' metropolitan location provides many internship opportunities that allow students to gain career-related work experience while applying classroom experiences to practice. Most internships are paid, and students may earn academic credit. Leadership and Human Resource Management students have recently interned with prestigious organizations in the St. Louis area and elsewhere, including Advantage Capital, Enterprise, Reinsurance Group of America and The Borgen Project.

Careers

Employers and graduate schools know the value of a Chaifetz School degree. In a survey of SLU's most recent leadership and human resource management graduates, eighty-three percent were either employed or attending graduate school within six months of their graduation date. Graduates join a global network of nearly 20,000 alumni from the Richard A. Chaifetz School of Business, having careers in fields such as:

- Strategic consulting
- · Project management
- · Leadership development
- · Compensation and benefits management
- Recruiting

- · On-boarding and orientation
- · Non-profit volunteer coordination

Freshman

Begin your application for this program at www.slu.edu/apply (http://www.slu.edu/apply.php). Saint Louis University also accepts the Common App.

All applications are thoroughly and carefully reviewed. Solid academic performance in college preparatory coursework is a primary criterion in reviewing a freshman applicant's file.

To be considered for admission to any Saint Louis University undergraduate program, the applicant must be graduating from an accredited high school, have an acceptable HiSET exam score or take the General Education Development (GED) test. Beginning with the 2021-22 academic year, undergraduate applicants will not be required to submit standardized test scores (ACT or SAT) in order to be considered for admission. Applicants will be evaluated equally, with or without submitted test scores.

Transfer students must have a cumulative 2.70 GPA to be admitted to the accounting program and a 2.50 GPA for all other majors. In reviewing a transfer applicant's file, the office of admission holistically examines the student's academic performance in college-level coursework as an indicator of the student's ability to meet the academic rigors of Saint Louis University.

- Scholarships: Scholarships are awarded based on academic achievement, service, leadership and financial need.
- Financial Aid: Financial aid is provided through grants and loans, some of which require repayment.

be taken as a breadth elective.

† In addition to completing lower and upper-division coursework in all areas of business, each student typically selects a business major before or during the first semester of the junior year. 18 major-specific credit hours are required as determined by the appropriate department. To broaden their expertise, students may complete more than one major in business, or a major and a minor in business. Outside of the Business Common Body of Knowledge (CBK), however, a maximum of one business course (3 credit hours) may be used to fulfill requirements in two business majors/minors.

‡ General electives may be selected from any area of study within the University, giving the student the opportunity to diversify their experiences. Students should consider University Undergraduate CORE attribute requirements when selecting electives.

Continuation Standards

Leadership and human resource management students must maintain a 2.0 cumulative GPA in all courses used to fulfill the major-specific course requirements.

Students will be on program probation if their GPA in major-specific courses used to fulfill major requirements falls below a 2.00. Students will have one semester to increase their major-specific cumulative GPA to a 2.00; if not, students will not be allowed to register for 3000- or 4000-level major-specific courses.

Students will be automatically placed on university probation if any of the following occur:

- Their Saint Louis University cumulative grade point average falls below 2.00
- Their Saint Louis University semester grade point average is below a 1.00
- More than two "incomplete" or two "in-progress" grades on their academic transcript

During the probationary period, advisors help students achieve academic success by closely monitoring their academic performance.

In order to improve scholastically and demonstrate their ability to make progress toward a degree, students on probation may not register for more than 12 credits in the fall and spring semesters, three credits in the winter term, and no more than one course/four credits in any single summer session term.

The conditions under which a student is dismissed from the school include:

- Inability to eliminate probationary status within the two semesters subsequent to the assignment of probation or
- 2. A grade point average deficit of more than 15 points.

For more information, see University Academic Policies and Procedures (https://catalog.slu.edu/academic-policies/academic-policies-procedures/).

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with!) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
