SPORTS BUSINESS, MINOR

While working with a major sports team may be the inspiration for pursuing a minor in sports business, Saint Louis University’s coursework prepares students for careers in various positions and organizations. The interdisciplinary sports business minor offers students the option to take courses in three different disciplines. Students gain practical knowledge through a capstone project and have the opportunity to supplement classwork through internships and participation in the Sports Business Association, a Chaifetz School of Business student organization.

Continuation Standards

Students must maintain a minimum 2.00 grade point average (GPA) in all courses used to fulfill minor requirements. If the minor GPA falls below a 2.00, students will have one semester to increase their minor GPA to a 2.00, or they will not be allowed to enroll in 3000- and 4000-level minor courses.
