DIGITAL MARKETING, POST-BACCALAUREATE CERTIFICATE

The Digital Marketing Certificate from Saint Louis University focuses on understanding and marketing to consumers in a digital and social media context. Students will gain a broad understanding of consumers and consumer analysis, digital and social media marketing strategy and the application of data analytics in making effective decisions for marketing to consumers. The certificate lies at the intersection of using data to make informed decisions about consumers and marketing in a digital space. This understanding is essential for businesses to more effectively communicate with current and prospective customers in today’s ever-evolving online marketplace. This certificate will be offered in an online modality.

Admission Requirements

The Chaifetz School uses a holistic admissions approach to carefully evaluate all applicants, considering every aspect of their application. While an undergraduate degree is required for admission, a business background is not. Applicants must submit their:

- Completed online application
- Transcript(s) from all previously attended institutions
- 1-2 letters of recommendation
- Résumé/CV
- Professional goal statement of fewer than 500 words

Applications are reviewed on a rolling basis once all application materials are received. The average time for admissions decisions is two weeks.

Total Credits 9

Continuation Standards

Students must maintain a cumulative grade point average (GPA) of 3.00 in all graduate/professional courses.

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
