MARKETING, MINOR

The marketing minor at Saint Louis University’s Richard A. Chaifetz School of Business (https://www.slu.edu/business/) offers business and non-business students exposure to multiple areas in the field of marketing.

Students are required to take MKT 3000 Introduction to Marketing Management (3 cr) and then select any four additional courses from the marketing curriculum. This flexibility provides students the ability to customize their marketing minor to those areas of most interest to them (e.g. sports marketing, retail management, brand management), making marketing a complement to many business or non-business majors.
