The School of Education graduate programs offer degrees in Curriculum and Instruction, Educational Foundations, Educational Leadership, Higher Education Administration, and Special Education. The School offers the following degrees: M.A., M.A.T., Ed.S., Ed.D., and Ph.D. In addition, the Educational Leadership programs meet Missouri State requirements for certification for the principalship, director of special education, and superintendency. The following programs are approved by the Missouri Department of Elementary and Secondary Education and accredited by the National Council for the Accreditation of Teacher Education (NCATE): elementary-, middle-, and secondary-school principal, director of special education, and superintendent of schools. The M.A.T. degree can be structured to fulfill the Missouri Department of Elementary and Secondary Education requirements for alternative route teacher certification in elementary, middle, and secondary education certification areas. All programs must be planned with an advisor.

The School of Education Institute for Catholic Education partners with the Educational Leadership program to offer an undergraduate minor in Catholic education and graduate degree programs that meet the requirements of the Missouri Department of Elementary and Secondary Education as well as the catechetical requirements for the Archdiocese of St. Louis and the standards from the United States Conference of Catholic Bishops.
