## Overview

Saint Louis University's programs in higher education administration prepare professionals to excel in their careers and give back to the greater community. Each program is individually tailored to complement unique interests and professional aspirations. These programs combine theory with practical insights provided by faculty who are both seasoned professors and administrators.

## About the Faculty

Faculty members take a genuine interest in students, serve as strong role models of success and acquaint students with the challenges and joys of the profession. The faculty seeks an appropriate balance between theory and practice, between action and reflection, and between intellect and affect.
