

HEALTH SCIENCES, HEALTH INFORMATION MANAGEMENT, B.S. TO LAW, J.D. ACCELERATED PROGRAM

Saint Louis University's accelerated Bachelor of Science in Health Information management to Juris Doctor program is designed for students who demonstrate academic success in health management and related coursework and are interested in pursuing a law degree.

SLU's B.S. in health information management (HIM) is a unique undergraduate program that blends the study of medical sciences, information technology, legal concepts and health care management.

Students in the health information program learn about the complex rules and regulations impacting healthcare and health data. This establishes a strong foundation for students interested in going to law school and pursuing a Juris Doctor degree.

This accelerated program enables health information management majors to obtain their undergraduate and graduate degrees in six years.
