HEALTH SCIENCES, HEALTH INFORMATION MANAGEMENT, B.S. TO LAW, J.D. ACCELERATED PROGRAM

Saint Louis University’s accelerated Bachelor of Science in Health Sciences with a concentration in health information management to Juris Doctor program is designed for students who demonstrate academic success in health management and related coursework and are interested in pursuing a law degree.

SLU health information management (HIM) blends the study of medical sciences, health data, information technology, legal concepts and health care management. Students in the health information program learn about the complex rules and regulations impacting health care and health data. This establishes a strong foundation for students interested in going to law school and pursuing a Juris Doctor degree.

This accelerated track enables health information management students to obtain their undergraduate and graduate degrees in six years.

For additional information, see the catalog entries for the following programs:

Health Sciences, B.S., Health Information Management (https://catalog.slu.edu/colleges-schools/health-sciences/clinical-health-sciences/health-information-management/)

Law, J.D. (https://catalog.slu.edu/colleges-schools/law/juris-doctor/)

Accreditation

SLU’s B.S. in health information management is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

Saint Louis University School of Law has been continuously accredited by the American Bar Association (ABA) since December 1924. The accrediting body is the Council of the Section of Legal Education and Admissions to the Bar of the American Bar Association, 321 North Clark Street, Chicago, IL 60654, 312-988-6738.

Requirements

Eligibility requirements for SLU’s health sciences, health information management, B.S. to law, J.D. accelerated program include:

- Students must have a minimum cumulative GPA of 3.50.
- Students must be in good academic and disciplinary standing with Saint Louis University and the Doisy College of Health Sciences.
- Students must be in their fifth semester of collegiate study on the health information management to J.D. accelerated track and apply to SLU Law.
- Students must be eligible to complete the accelerated curriculum with no more than 15 credits during each semester during year four of the program.
- Accepted students begin SLU law school coursework during their fourth year.

- After successful completion of the first year of the SLU law school coursework, students will be awarded the B.S. of health information management degree and continue in the SLU law school program.

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
