# PHYSICIAN ASSISTANT, M.M.S. & PUBLIC HEALTH, M.P.H. DUAL DEGREE

Saint Louis University's Master of Public Health (M.P.H) and Physician Assistant Master of Medical Science (M.M.S.) dual-degree program is a collaboration between the College for Public Health and Social Justice (https://www.slu.edu/public-health-social-justice/) and the Doisy College of Health Sciences Department of Clinical Health Sciences (https://catalog.slu.edu/colleges-schools/health-sciences/clinical-health-sciences/).

Pursuing the two degrees as a dual degree allows students to complete both degrees in an accelerated fashion as compared to completing them separately or sequentially. Students in the dual degree focus first on the M.P.H., taking three consecutive semesters (summer, fall, spring) devoted to M.P.H. coursework. Then students focus on their M.M.S. studies within the Doisy College of Health Sciences. Nine credit hours of coursework in the M.M.S. curriculum also count as elective credits toward completion of the M.P.H. degree, providing the credit efficiency that allows students to complete both degrees in 3.5 academic years. Students interested in earning the M.P.H./M.M.S. dual degree apply separately to both programs before starting either one.

SLU's College for Public Health and Social Justice is fully accredited by the Council on Education for Public Health (CEPH). The Physician Assistant Program is fully accredited by the Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA).

For additional information, see the catalog entries for the following programs:

Physician Assistant, M.M.S. (https://catalog.slu.edu/colleges-schools/health-sciences/clinical-health-sciences/physician-assistant-mms/)

Public Health, M.P.H. (https://catalog.slu.edu/colleges-schools/public-health-social-justice/graduate-programs/public-health-mph/)

# **Admission Requirements**

Students must meet the admission requirements and be admitted into both degree programs according to the processes of each participating academic unit to pursue a dual-degree program.

Individuals may apply to the M.P.H. degree program concurrently with application to or following their admission to the Doisy College of Health Sciences; however, admission to the dual-degree program is contingent upon admission to both the M.P.H. and the M.M.S. degree programs.

## **Scholarships and Financial Aid**

For more information about student loans, please visit the financial services office at https://www.slu.edu/financial-aid/index.php (https://www.slu.edu/financial-aid/).

## **Accreditation**

The Accreditation Review Commission on Education for the Physician Assistant, Inc (ARC-PA) has granted Accreditation-Continued status to the Saint Louis University Physician Assistant Program sponsored by Saint Louis University. Accreditation-Continued is an accreditation status

granted when a currently accredited program is in compliance with the ARC-PA Standards.

Accreditation remains in effect until the program closes or withdraws from the accreditation process or until accreditation is withdrawn for failure to comply with the Standards. The approximate date for the next validation review of the program by the ARC-PA will be June 2033. The review date is contingent upon continued compliance with the Accreditation Standards and ARC-PA policy.

The program's accreditation history can be viewed on the ARC-PA website at http://www.arc-pa.org/accreditation-history-saint-louis-university/.

#### **Roadmap**

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.

Course Year One	Title	Credits
Summer		
PUBH 5010	Mission and Practice of Global Public Health	2
PUBH 5020	Ethical Issues in Public Health	3
	Credits	5
Fall		
HMP 5000	Health Care Organization	3
HMP 5300	Management of Health Care Organizations	3
HMP 5500	Health Policy	3
PUBH 5030	Methodological Approaches to Understanding Population Health	3
PUBH 5060	Environmental and Biological Determinants of Health	3
PUBH 5070	Translating Evidence and Theory for Community Practice	3
	Credits	18

Spring		
HCE 5020	Ethical Issues in Public Health	3
PUBH 5040	Generating Evidence from Public Health Data	3
PUBH 5910	Practice Experience in Public Health	3
PUBH 5950	Special Study for Examinations	0
PUBH 5960	Capstone in Public Health Practice	3
	Credits	12
Year Two		
Fall		
BLS 5125	Introduction to Clinical Laboratory Medicine	3
PAED 5010	Professional & Psychosocial Issues of Physician Assistant Practice	3
PAED 5040	Physiology	4

PAED 5860	Clinical: Evidence-Based Medicine Clerkship	4
PAED 5890	Clinical: Elective	4
PAED 6000	Graduate Seminar	1
	Credits	18
	Total Credits	133

Program notes: Extended spring semesters run from early January through late June, and extended fall semesters run from late June through December. Also, the nine credit hours of coursework taken from the M.M.S. courses PAED 5010, PAED 5070, PAED 5300 and PAED 6000 (x2) also count as elective credits toward the student's M.P.H. degree.

The final semester of dedicated M.P.H. coursework may extend into the summer months prior to the beginning of the M.M.S. coursework as students complete the Practice Experience in Public Health (PUBH 5910).
