

EXERCISE SCIENCE, B.S.

Curriculum Overview

The exercise science B.S. at Saint Louis University consists of three pathways. The exercise and wellness concentration is for students who are seeking careers as an exercise physiologist, medical scientist, personal trainer, health and wellness coordinator, wellness coaches or recreation specialist. SLU also offers the exercise science B.S. with concentrations in either athletic training or physical therapy. These two concentrations are for students who wish to continue their education towards a Master of Athletic Training (M.A.T.) or a Doctor of Physical Therapy (D.P.T.) degree respectively. For additional information on all the exercise science, B.S. concentrations, see the Requirements and Roadmap tabs.

For additional information on the M.A.T. and the D.P.T., see the catalog entries below:

Athletic Training, Master of (<https://catalog.slu.edu/colleges-schools/health-sciences/physical-therapy-athletic-training/athletic-training-program/>)

Physical Therapy, Doctor of (<https://catalog.slu.edu/colleges-schools/health-sciences/physical-therapy-athletic-training/physical-therapy-program/>)

Admission Requirements

Begin Your Application (<https://www.slu.edu/apply.php>)

Saint Louis University also accepts the Common Application.

Freshman

All applications are thoroughly reviewed with the highest degree of individual care and consideration to all credentials that are submitted. Solid academic performance in college preparatory coursework is a primary concern in reviewing a freshman applicant's file.

To be considered for admission to any Saint Louis University undergraduate program, applicants must be graduating from an accredited high school, have an acceptable HiSET exam score or take the General Education Development (GED) test.

Transfer

Applicants must be a graduate of an accredited high school or have an acceptable score on the GED.

Students who have attempted fewer than 24 semester credits (or 30 quarter credits) of college credit must follow the above freshmen admission requirements. Students who have completed 24 or more semester credits (or 30 quarter credits) of college credit must submit transcripts from all previously attended college(s).

In reviewing a transfer applicant's file, the Office of Admission holistically examines the student's academic performance in college-level coursework as an indicator of the student's ability to meet the academic rigors of Saint Louis University. Where applicable, transfer students will be evaluated on any courses outlined in the continuation standards of their preferred major.

International Applicants

All admission policies and requirements for domestic students apply to international students along with the following:

- Demonstrate English Language Proficiency (<https://catalog.slu.edu/academic-policies/office-admission/undergraduate/english-language-proficiency/>)
- Proof of financial support must include:
 - A letter of financial support from the person(s) or sponsoring agency funding the time at Saint Louis University
 - A letter from the sponsor's bank verifying that the funds are available and will be so for the duration of study at the University
- Academic records, in English translation, of students who have undertaken post-secondary studies outside the United States must include the courses taken and/or lectures attended, practical laboratory work, the maximum and minimum grades attainable, the grades earned or the results of all end-of-term examinations, and any honors or degrees received. WES and ECE transcripts are accepted.

Tuition

Tuition	Cost Per Year
Undergraduate Tuition	\$54,760

Additional charges may apply. Other resources are listed below:

Net Price Calculator (<https://www.slu.edu/financial-aid/tuition-and-costs/calculator.php>)

Information on Tuition and Fees (<https://catalog.slu.edu/academic-policies/student-financial-services/tuition/>)

Miscellaneous Fees (<https://catalog.slu.edu/academic-policies/student-financial-services/fees/>)

Information on Summer Tuition (<https://catalog.slu.edu/academic-policies/student-financial-services/tuition-summer/>)

Scholarships and Financial Aid

There are two principal ways to help finance a Saint Louis University education:

- **Scholarships:** Awarded based on academic achievement, service, leadership and financial need. In addition to University scholarships, the Doisy College of Health Sciences offers scholarships (<https://www.slu.edu/doisy/about/scholarships-for-current-students.php>) to sophomores, juniors, seniors and graduate students.
- **Financial Aid:** Provided in the form of grants and loans, some of which require repayment.

For priority consideration for merit-based scholarships, applicants should apply for admission by Dec. 1 and complete a Free Application for Federal Student Aid (FAFSA) by March 1.

For more information, visit the Office of Student Financial Services (<https://www.slu.edu/financial-aid/>).

University Undergraduate Core (https://catalog.slu.edu/academic-policies/academic-policies-procedures/university-core/)		
Major Requirements		

ANAT 1000	Basic Human Anatomy	3
BIOL 1240 & BIOL 1245	General Biology: Information Flow and Evolution and Principles of Biology I Laboratory	4
CHEM 1080 & CHEM 1085	Principles of Chemistry 1 Lecture and Principles of Chemistry 1 Lab	4
CHEM 1480 & CHEM 1485	Principles of Chemistry 2 Lecture and Principles of Chemistry 2 Lab	4
ENGL 1900	Advanced Strategies of Rhetoric and Research	3
IPE 2100	Interprofessional Collaboration and Healthcare in Global Context	3
IPE 4200	Applied Decision-Making in Interprofessional Practice	3
IPE 4900	Interprofessional Community Practicum	3
MATH 1400	Pre-Calculus	3
PHIL 2050	Ethics	3
or HCE 2010	Foundations in Clinical Health Care Ethics	
PHYS 1220 & PHYS 1235	General Physics I and General Physics I Lab	4
PPY 2540	Human Physiology	4
PSY 1010	General Psychology	3
STAT 1100	Introduction to Statistics	3
General Electives		12-15
Choose a Concentration:		43-60
Exercise and Wellness Concentration (p. 2)		
Athletic Training Concentration (p. 2)		
Physical Therapy Concentration (p. 2)		
Total Credits		121-142

Exercise and Wellness Concentration

Code	Title	Credits
DIET 2080	Foundations in Nutrition	2,3
HSCI 2500	Human Development across the Lifespan	3
EXSC 3230	Exercise Physiology	3
EXSC 4121	Clinical Biomechanics	3
EXSC 4150	Nutrition, Health, and Physical Performance	3
EXSC 4170	Exercise Testing and Prescription	3
EDI 4361	Art and Science of Human Flourishing	3
EXSC 4260	Enhancing Human Performance	3
EXSC 4241	Clinical Research and Design	2

Concentration Electives

Foundational Electives--Select 2 courses or course sequences below, to be completed Freshman or Sophomore years: 6-8

BIOL 1260 & BIOL 1265	General Biology: Transformations of Energy and Matter and Principles of Biology II Laboratory	
BIOL 1460	Exercise and Health	
PHYS 1240 & PHYS 1255	General Physics II and General Physics II Lab	
DIET 2100	Nutrition in the Lifecycle	
DIET 2510	Principles of Food Preparation	
ASTD 2800	Sports in American Culture	
SOC 2110	Sociology of Sport	

Upper-level Electives--Select 8 courses below, 2 of which must be upper level psychology courses, to be completed Junior or Senior years: 24

ASTD 3600	American Food and Cultures	
DIET 3030	Sustainable Food Systems	
PSY 3460	Abnormal Psychology	
PSY 4150	Science of Sleep	
PSY 4350	Health Psychology	
MGT 3000	Management Theory and Practice	
MGT 3201	Social Entrepreneurship	
EXSC 4910	Internship / Fieldwork in Exercise Science	
PUBH 3100	Public Health & Social Justice	
HCE 3030	Disability Studies: Medicine, Ethics, and Policy	
HCE 3040	Mindfulness & the Ethics of Healthcare	

Total Credits 55-58

Athletic Training Concentration

Code	Title	Credits
PSY 3000/4000	Psychology Elective	3
ANAT 4000	Human Gross Anatomy	6
EXSC 5121	Clinical Biomechanics	3
PHYS 1240 & PHYS 1255	General Physics II and General Physics II Lab	4
MAT 1000	Intro to Athletic Training	1
MAT 2000	Athletic Training Student Development I	1
MAT 3000	Athletic Training Student Development II	2
MAT 3230	Exercise Physiology	3
MAT 5010	Principles of Athletic Training	2
MAT 5125	Therapeutic Modalities	3
MAT 5160	Aspects of Nutrition	2
MAT 5240	Musculoskeletal Assessment and Management I	4
MAT 5250	Musculoskeletal Assessment and Management II	4
MAT 5500	Rehabilitation in AT I	4
MAT 5800	Medical Conditions and Physical Activity	4

Total Credits 46

Physical Therapy Concentration

Students must earn a C or better in all required courses with a DPT, EXSC, and IPE prefix. Students must earn a C or better in all required ANAT courses at the 4000 level and above. For clinical education courses in the professional phase, an S (satisfactory) grade is required.

Code	Title	Credits
PHYS 1240 & PHYS 1255	General Physics II and General Physics II Lab	4
ANAT 4000	Human Gross Anatomy	6
ANAT 4300	AHP Neurosciences	4
BIOL 1260 & BIOL 1265	General Biology: Transformations of Energy and Matter and Principles of Biology II Laboratory	4
PSY 3460	Abnormal Psychology	3
DPT 1111	Self and Community in PT	1
DPT 1212	Fueling the Fire, Discovering Your Passion	2
DPT 2213	Professionalism and Physical Therapy Thought	1
DPT 3214	Reflections on the Core and the Future	1
EXSC 3230	Exercise Physiology	3

EXSC 5121	Clinical Biomechanics	3
DPT 5125	Therapeutic Modalities	3
DPT 5127	Basic Examination	3
DPT 5130	System-Based Pathology	4
DPT 5147	Human Growth and Development	3
DPT 5222	Kinesiology	3
DPT 5226	Therapeutic Exercise	2
DPT 5228	Basic Procedures	2
DPT 5240	Neuromusculoskeletal Conditions	4
EXSC 5241	Clinical Research and Design	2
DPT 5276	Documentation	1
DPT 5290	Skills Practicum	1

Total Credits 60

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
