OCCUPATIONAL THERAPY, O.T.D.

Saint Louis University’s Post-Professional Doctor of Occupational Therapy program is for occupational therapy practitioners with a bachelor’s or master’s degree and is designed to prepare them for roles as academicians, advanced practitioners, policy-makers, program evaluators and advocates of the profession. The program offers three areas of concentration: practice, education, and public policy and leadership.

The Saint Louis University PP-O.T.D. program will not be accepting new students for the 2020-21 academic year. If you are interested in being considered for the program, please contact Dr. Katie Serfas at kathleen.serfas@health.slu.edu.

Curriculum Overview

This program can be completed in six semesters. The curriculum is based on core concepts of occupational science and occupational therapy, outcomes research and education courses and can be tailored through concentrations to meet your professional development goals.

Each student is required to complete six credits of practicum. A three-credit practicum assignment requires a minimum of 320 hours. Students have the option to complete all six credits (640 hours) in a single semester.

Careers

Graduates are prepared to work as advanced OT practitioners and as program evaluators.

This degree can also further a career in academics or public policy.

Admission Requirements

Applicants must have at least one year (2,000 hours) of clinical experience as an occupational therapist or equivalent experience in another therapeutic field. Post-graduate therapy-related research will be considered as partial fulfillment of this requirement.

Students must also have successfully completed the National Board Certification in Occupational Therapy examination or an international equivalent.

Additional prerequisites include:

• 4000 or 5000-level English composition course (3 credits)
  Students must have earned a grade of B or higher. An approved writing sample of at least five pages as evidence of graduate writing ability may be submitted in place of this course.

• OCHT 5011 Fundamentals of Occupational Science (3 cr)
  Master’s-level applicants may submit a comparable course taken within the last five years for consideration. Students may also choose to take a competency exam but must score at least a 75 percent to bypass this course requirement.

• OCHT 5010 Foundations of Occupational Therapy: Theories, Domains and Processes (3 cr)
  Master’s-level applicants may submit a comparable course taken within the last five years for consideration. Students may also choose

For more information about the SLU Occupational Therapy program outcomes, matriculation rate, graduation rate, certification exam pass rate and employment rate, please see Program Outcomes.
The total number of graduates from the Saint Louis University Master of Occupational Therapy (M.O.T.) program during the three-year period of 2016-2018 was 166, with an overall graduation rate of 96.0%

Graduates of the program will be eligible to sit for the national certification examination for the occupational therapist, administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the graduate will be an Occupational Therapist, Registered (OTR). In addition, most states require licensure to practice; however, state licenses are usually based on the results of the NBCOT certification examination. A felony conviction may affect a graduate’s ability to sit for the NBCOT certification examination or attain state licensure.

Learning Outcomes
1. Graduates will be able to critically evaluate research interpretations and results.
2. Graduates will be able to critically appraise relevant literatures to propose new paths for knowledge development.
3. Graduates will be able to generate solutions for an unmet professional need in a chosen practice domain.
4. Graduates will be able to analyze the impact of policy processes on occupational therapy service delivery.

Non-Course Requirements

Upon completion of all requirements, students receive the Master’s in Occupational Therapy (M.O.T.) Degree and are eligible to sit for the national certification examination administered by the National Board for Certification in Occupational Therapy (NBCOT). In addition to passing the national exam, most states require licensure in order to practice.

NOTE: All Level II Fieldwork must be complete within 18 months following completion of academic preparation.

Continuation Standards
Students must maintain a cumulative grade point average (GPA) of 3.00 in all graduate/professional courses.

Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
