DEPARTMENT OF PHYSICAL THERAPY AND ATHLETIC TRAINING

Leadership
Lisa Dorsey, Ph.D., MBA, PT
  Department Chair
Randy Richter, Ph.D., PT
  Assistant Program Director, Physical Therapy
Anthony Breitbach, Ph.D., ATC, FASAHP
  Program Director, Athletic Training

Overview
The Department of Physical Therapy and Athletic Training includes two separate professional programs: the physical therapy program and the athletic training program.

The Bachelor of Science in Exercise Science degree is available only to those students admitted to the athletic training program or the physical therapy program and is not a stand-alone degree program.

Programs
• Athletic Training Program
• Physical Therapy Program
