

# SPEECH, LANGUAGE, AND HEARING SCIENCES, MINOR

The speech, language and hearing sciences minor at Saint Louis University is an introduction to speech-language pathology and audiology.

A minor in speech, language and hearing sciences is most helpful to students interested in working in health care or educational settings, including those majoring in physical therapy (<https://catalog.slu.edu/colleges-schools/health-sciences/physical-therapy-athletic-training/physical-therapy-program/>), occupational therapy (<https://catalog.slu.edu/colleges-schools/health-sciences/occupational-science-therapy/occupational-therapy-program/>), education (<https://catalog.slu.edu/colleges-schools/education/undergraduate-programs/education-ba/>) or special education. Students must complete a minimum of 17 credits to complete the speech, language and hearing sciences minor.

## Requirements

SLU students minoring in speech, language and hearing sciences take the following courses.

## Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.

Course	Title	Credits
<b>Year One</b>		
<b>Fall</b>		
SLHS 1000	Introduction to Speech, Language & Hearing Sciences	3
<b>Credits</b>		<b>3</b>
<b>Spring</b>
