

DEPARTMENT OF SPEECH, LANGUAGE, AND HEARING SCIENCES

Leadership

Travis T. Threats, Ph.D. (<https://www.slu.edu/doisy/faculty/threats-travis.php>)

Department Chair

Mitzi Brammer, Ph.D. (<https://www.slu.edu/doisy/faculty/brammer-mitzi.php>)

Graduate Program Director

Saneta Thurmon, M.A. (<https://www.slu.edu/doisy/faculty/thurmon-saneta.php>)

Undergraduate Program Director

Rebecca Frisella, M.S., CCC-SLP (<https://www.slu.edu/doisy/faculty/frisella-rebecca.php>)
 Christina Garms, M.S., CCC-SLP (<https://www.slu.edu/doisy/faculty/garms-christina.php>)
 Julie Hoffman, M.A., CCC-SLP (<https://www.slu.edu/doisy/faculty/hoffmann-julie.php>)
 Robin Murphy, M.S., CCC-SLP (<https://www.slu.edu/doisy/faculty/murphy-robin.php>)
 Whitney Postman, Ph.D., CCC-SLP (<https://www.slu.edu/doisy/faculty/postman-whitney.php>)
 Sara Steele, Ph.D., CCC-SLP (<https://www.slu.edu/doisy/faculty/steele-sara.php>)
 Saneta Thurmon, M.A., CCC-SLP/A (<https://www.slu.edu/doisy/faculty/thurmon-saneta.php>)
 Andrea Vaughn, M.S., CCC-SLP, BCS-S (<https://www.slu.edu/doisy/faculty/vaughan-andrea.php>)

Overview

The goal of the Department of Speech, Language, and Hearing Sciences at Saint Louis University is to prepare speech-language pathologists to be culturally competent, evidence-based clinicians who provide compassionate clinical services to improve the quality of life of the clients and their families.

The Department of Speech, Language, and Hearing Sciences is the second-highest-rated program in the nation at a Catholic university, as well as the highest-rated program in Missouri.

Programs

- Speech, Language, and Hearing Sciences, B.S.
- Speech, Language, and Hearing Sciences, M.S.
- Speech, Language, and Hearing Sciences, Minor

Faculty

SLU's Department of Speech, Language, and Hearing Sciences faculty members have diverse backgrounds and a wide range of research interests including child language and literacy disorders, stuttering, voice disorders, adult neurogenic disorders, memory and cognition in adult populations and aural rehabilitation in persons with cochlear implants.

Our faculty conducts clinically oriented research with both medical and educational areas of emphasis to improve the quality of life of others. All of the faculty members have presented at state, national or international conferences and several have international recognition.

Travis T. Threats, Ph.D., CCC-SLP (<https://www.slu.edu/doisy/faculty/threats-travis.php>) - Department Chairperson

Angela Adrian, M.A., CCC-SLP (<https://www.slu.edu/doisy/faculty/adrian-angela.php>)

Mitzi Brammer, Ph.D., CCC-SLP (<https://www.slu.edu/doisy/faculty/brammer-mitzi.php>)

Emily Buxbaum, M.S., CCC-SLP (<https://www.slu.edu/doisy/faculty/buxbaum-emily.php>)

Yi-Fang Chiu, Ph.D., CCC-SLP (<https://www.slu.edu/doisy/faculty/chiu-yi-fang.php>)

Maureen Fischer, M.A., CCC-A (<https://www.slu.edu/doisy/faculty/fischer-maureen.php>)
