FAMILY THERAPY, M.A.

The Master of Arts in Family Therapy at Saint Louis University is based on a systemic/relational view of individuals, couples and families. It fulfills the course and practicum requirements toward licensure in Missouri as a licensed marital and family therapist. A concentration in medical family therapy is also available.

Curriculum Overview

SLU’s master’s program in family therapy requires a minimum of 60 credits beyond a bachelor’s degree. Prerequisites include 18 credits in the behavioral sciences. Program requirements include didactic courses, two semesters of practicum, three semesters of internship in a community setting and a minimum of 500 hours of direct clinical contact.

The concentration in medical family therapy prepares students to function as part of an integrated care team in addressing the biopsychosocial needs of individuals and families.

Fieldwork and Research Opportunities

Graduate students perform research projects by working with a faculty mentor whose research interests match their own. Doctoral students are expected to publish and present a minimum of two research projects.

Careers

Possible careers in medical family therapy include:

- Academic positions
- Research positions
- Clinical positions in medical and mental health centers
- Private practice and consulting
