the requirements in your state or territory prior to accepting an offer of admission at TBVSON.

Saint Louis University Valentine School of Nursing accepts applications to its Master of Science in Nursing program from students living in the following states: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, North Carolina, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, West Virginia and Wisconsin.

- A master's degree in a nursing specialty, preferably from a program accredited by a nationally recognized accrediting agency
- A college cumulative grade point of 3.20 or higher
- Completion of a graduate-level physiology or pathophysiology course and a beginning health assessment course, or the equivalent thereof
- Experience in an advanced practice role in nursing is preferred
- Proof of completion of an American heart care provider course is required after acceptance.

Application Requirements
- Post-master's NP certificate application and fee
- Transcript(s)
- One letter of recommendation
- Résumé
- Professional goal statement
- Copy of current unencumbered Registered Nurse license in the state in which clinical experience will be done.

Requirements for International Students
International students on F1 or J1 student visas are not eligible for admission, as these programs are conducted entirely online. For additional information, contact the Office of International Services (https://www.slu.edu/international-services/).

Application Deadlines
Application for admission and all supporting documents must be received by May 1 for the fall semester and August 1 for the spring semester.

Scholarships and Financial Aid
Financing for this program may be available through grants, scholarships, loans (federal and private) and institutional financing plans.

The Trudy Busch Valentine School of Nursing at Saint Louis University offers scholarship and graduate research assistantship opportunities to eligible graduate students. Additionally, most nursing students will participate in a tuition assistance program provided through their employer.

For more information, visit the student financial services office online at https://www.slu.edu/financial-aid/ (https://www.slu.edu/financial-aid/).

Accreditation
The Trudy Busch Valentine School of Nursing is fully approved by the Missouri State Board of Nursing.

The Bachelor of Science in Nursing, Master of Science in Nursing and Doctor of Nursing Practice at the Valentine School of Nursing are
accredited by the Commission on Collegiate Nursing Education (http://www.aacn.nche.edu/ccne-accreditation) and approved by the Missouri State Board of Nursing. To achieve its educational objectives, the school uses the hospitals within SSM Health and many health care organizations of greater St. Louis.

**Learning Outcomes**

1. Graduates will be able to implement collaborative strategies to provide ethical, high quality, safe, effective, patient-centered care.
2. Graduates will be able to use scholarly inquiry including evidence-based practice and research application to improve decision-making and health outcomes.
3. Graduates will be able to integrate advanced competencies, skills, theories, and cultural sensitivity in relationships with patients and professionals.
4. Graduates will be able to design culturally sensitive patient care that includes health promotion and disease prevention.
5. Graduates will be able to facilitate the improvement of health care through leadership within health care systems and communities.
6. Graduates will be able to demonstrate competence in a specialized area of advanced practice nursing that builds on foundational nursing knowledge.
7. Graduates will be able to utilize health care informatics and technologies to support practice.
8. Graduates will be able to advocate for policies that improve the health of the public and the profession of nursing.
