FAMILY NURSE PRACTITIONER, POST-MASTER'S CERTIFICATE

Family nurse practitioners work in a variety of settings and are also well-suited to rural populations, where specialty care may not always be available.

The family nurse practitioner program at Saint Louis University prepares students to provide primary health care to patients of all ages. Students will help prevent disease, assess and manage acute and chronic health problems, and consult and refer patients within the health care system. This program emphasizes quality relationships with patients, families and communities, as well as education and coordination of services aimed at specific health outcomes.

The Valentine School of Nursing is renowned for excellence in nursing education. In 2021, Niche ranked Saint Louis University’s Trudy Busch Valentine School of Nursing as the No. 8 best college in the country for nursing. Additionally, U.S. News and World Report consistently ranks our MSN-NP program as a top 50 program in their Best Graduate Schools survey.

Curriculum Overview

Saint Louis University’s post-master’s nurse practitioner certificate programs are conducted almost completely online, requiring only two visits to the St. Louis campus.

A minimum of 15 credits is required for completion of a post-master’s nurse practitioner certificate program. The total number of credits varies, depending on the particular certificate pursued.

At the Valentine School of Nursing’s discretion, students may transfer three to six credits of graduate-level coursework to be applied toward their post-master’s certificate program of study.

Student files are individually reviewed. Students may be able to petition for advanced standing in courses such as “Advanced Health Assessment,” “Advanced Pathophysiology” and “Advanced Pharmacology.”

Careers

Upon completion of the post-master’s N.P. certificate program, you will qualify to take certification exams through the American Nurses Credentialing Center, Pediatric Nursing Certification Board or the American Academy of Nurse Practitioners.

The Saint Louis University Valentine School of Nursing adheres to the principles of a holistic admission process in which selection criteria are broad-based and linked to our University’s and school’s mission and goals. While we do consider academic metrics we also look at applicant experiences, attributes, potential for success, and how applicants may contribute to the school’s learning environment and to the profession.

The curriculum for this program meets the educational requirements for licensure as an Advanced Practice Registered Nurse (APRN) in the State of Missouri. Note that the Missouri Board of Nursing may impose additional requirements on candidates prior to granting a license; we encourage you to investigate these requirements.

The Saint Louis University Valentine School of Nursing has not determined whether the curriculum for this program meets the educational requirements for nursing licensure in any other states or territories. However, graduates of our APRN programs are eligible to sit for National Board Certification Exams in all states and territories. We encourage you to investigate the requirements in your state or territory prior to accepting an offer of admission.

Application Requirements

Please follow the five steps outlined below to apply:

- **Step 1 - Application**: Submit the application form and fee through either the SLU (http://www.slu.edu/apply.php) graduate application (http://www.slu.edu/apply.php) or NursingCAS (https://nursingcas.liaisoncas.org/apply/). Students only need to submit one application option. Submitting the application directly through SLU is preferred but not required.

- **Step 2 - Transcripts**
  - Option A: If you are completing the application through SLU please submit your official e-transcripts from all colleges/universities to graduate@slu.edu.
  - Option B: If you are completing the application through NursingCAS please submit your official transcripts from all colleges/universities attended directly to NursingCAS. They will provide details when the application is initiated.

- **Step 3 - Resume or Curriculum Vitae**: Attach your CV/résumé documenting your education, clinical nursing experience, and service to the nursing profession/community within the SLU or NursingCAS application.

- **Step 4 - Professional Goal Statement**: Attach your professional goal statement within the SLU or NursingCAS application. The goal statement should outline your short- and long-term goals as a nurse practitioner.
learning outcomes and many health care organizations of greater St. Louis. educational objectives, the school uses the hospitals within SSM Health Board of Nursing www.aacnnursing.org/CCNE/.

The Bachelor of Science in Nursing, Master of Science in Nursing and Missouri State Board of Nursing.
