FAMILY NURSE PRACTITIONER, POST-MASTER'S CERTIFICATE

Family nurse practitioners work in a variety of settings and are also well-suited to rural populations, where specialty care may not always be available.

The family nurse practitioner program at Saint Louis University prepares students to provide primary health care to patients of all ages. Students will help prevent disease, assess and manage acute and chronic health problems, and consult and refer patients within the health care system. This program emphasizes quality relationships with patients, families and communities, as well as education and coordination of services aimed at specific health outcomes.

The Valentine School of Nursing is renowned for excellence in nursing education. In 2021, Niche ranked Saint Louis University’s Trudy Busch Valentine School of Nursing as the No. 8 best college in the country for nursing. Additionally, U.S. News and World Report consistently ranks our MSN-NP program as a top 50 program in their Best Graduate Schools survey.

Curriculum Overview

Saint Louis University’s post-master’s nurse practitioner certificate programs are conducted almost completely online, requiring only two visits to the St. Louis campus.

A minimum of 15 credits is required for completion of a post-master’s nurse practitioner certificate program. The total number of credits varies, depending on the particular certificate pursued.

At the Valentine School of Nursing’s discretion, students may transfer three to six credits of graduate-level coursework to be applied toward their post-master’s certificate program of study.

Student files are individually reviewed. Students may be able to petition for advanced standing in courses such as “Advanced Health Assessment,” “Advanced Pathophysiology” and “Advanced Pharmacology.”

Careers

Upon completion of the post-master’s N.P. certificate program, you will qualify to take certification exams through the American Nurses Credentialing Center, Pediatric Nursing Certification Board or the American Academy of Nurse Practitioners.

According to a U.S. News & World Report ranking, the median salary of NPs in 2020 was $111,680. The best-paid 25% of NPs made $130,240 that year; the lowest-paid 25% made $94,980. The Bureau of Labor Statistics projects 5.2% employment growth for NPs between 2020 and 2030. In that period, an estimated 114,900 jobs are projected to open up.

The curriculum for this program meets the educational requirements for licensure as an Advanced Practice Registered Nurse (APRN) in the State of Missouri. Note that the Missouri Board of Nursing may impose additional requirements on candidates prior to granting a license; we encourage you to investigate these requirements.

Application Requirements

Please follow the five steps outlined below to apply:

- **Step 1 - Application:** Submit the application form and fee through either the SLU (http://www.slu.edu/apply.php) graduate application (http://www.slu.edu/apply.php) or NursingCAS (https://nursingcas.liaisoncas.org/apply/). Students only need to submit one application option. Submitting the application directly through SLU is preferred but not required.

- **Step 2 - Transcripts**
  - Option A: If you are completing the application through SLU please submit your official e-transcripts from all colleges/universities to graduate@slu.edu.
  - Option B: If you are completing the application through NursingCAS please submit your official transcripts from all colleges/universities attended directly to NursingCAS. They will provide details when the application is initiated.

- **Step 3 - Resume or Curriculum Vitae:** Attach your CV/résumé documenting your education, clinical nursing experience, and service to the nursing profession/community within the SLU or NursingCAS application.

- **Step 4 - Professional Goal Statement:** Attach your professional goal statement within the SLU or NursingCAS application. The goal statement should outline your short- and long-term goals as a nurse.
Learning Outcomes

1. Graduates will be able to implement collaborative strategies to provide ethical, high quality, safe, effective, patient-centered care.

2. Graduates will be able to use scholarly inquiry including evidence-based practice and research application to improve decision-making and health outcomes.

3. Graduates will be able to integrate advanced competencies, skills, theories, and cultural sensitivity in relationships with patients and professionals.

4. Graduates will be able to design culturally sensitive patient care that includes health promotion and disease prevention.

5. Graduates will be able to facilitate the improvement of health care through leadership within health care systems and communities.

6. Graduates will be able to demonstrate competence in a specialized area of advanced practice nursing that builds on foundational nursing knowledge.

7. Graduates will be able to utilize health care informatics and technologies to support practice.

8. Graduates will be able to advocate for policies that improve the health of the public and the profession of nursing.

Requirements for International Students

International students on F1 or J1 student visas are not eligible for admission, as these programs are conducted entirely online. For additional information, contact the Office of International Services (https://www.slu.edu/international-services/).

Application Deadlines

If the application deadline has passed for your semester of interest, please contact slunurse@slu.edu since a limited number of late applications may be accepted.

- Fall admissions: Priority admission is April 15th with an application deadline of August 1st.
- Spring admissions: Priority admission is October 15th with an application deadline of December 1st.

Scholarships and Financial Aid

Financing for this program may be available through grants, scholarships, loans (federal and private) and institutional financing plans. For price estimates, please review the SLU Cost Calculator (https://www.slu.edu/financial-aid/tuition-and-costs/calculator.php).

The Trudy Busch Valentine School of Nursing at Saint Louis University offers scholarship and graduate research assistantship opportunities (https://www.slu.edu/nursing/scholarships/) to eligible graduate students. Additionally, most nursing students will participate in a tuition assistance program provided through their employer.

For more information, visit the student financial services office online at https://www.slu.edu/financial-aid (https://www.slu.edu/financial-aid/).

Accreditation

The Trudy Busch Valentine School of Nursing is fully approved by the Missouri State Board of Nursing.

The Bachelor of Science in Nursing, Master of Science in Nursing and Doctor of Nursing Practice at the Valentine School of Nursing are accredited by the Commission on Collegiate Nursing Education (https://www.aacn.nursing.org/CCNE/) and approved by the Missouri State Board of Nursing (https://www.pr.mo.gov/nursing.asp). To achieve its educational objectives, the school uses the hospitals within SSM Health and many health care organizations of greater St. Louis.
