

NURSING, M.S. (CLINICAL NURSE LEADER)

The Trudy Busch Valentine School of Nursing at Saint Louis University offers a Master of Science in Nursing (Clinical Nurse Leader) degree program that prepares nurses for leadership roles in a variety of health care settings, focusing on quality improvement, clinical coordination and accountability for health outcomes as a provider and manager of care. The MSN-CNL prepares nurses to work in a broad range of positions across the health care system.

The Valentine School of Nursing is renowned for excellence in nursing education. U.S. News and World Report's Best Graduate Schools survey consistently ranks our graduate programs as some of the top in the nation. The MSN-CNL program provides a seamless transition for those graduates interested in pursuing an NP (<https://catalog.slu.edu/colleges-schools/nursing/nursing-ms-nurse-practitioner/>) upon the completion of their master's program.

Program Highlights

- Faculty who are nationally recognized for teaching excellence, nursing leadership, scholarly research and student mentorship
- State-of-the-art teaching facilities including online library and writing center resources
- Location on a major health sciences campus
- An innovative curriculum that offers students updated 21st-century nursing graduate competencies

Curriculum Overview

The MSN-CNL program at Saint Louis University is a non-advanced practice option that will prepare you to function as a master's prepared clinical nurse leader. The program is offered online in a part-time format and may be completed in as few as five semesters. Please see the roadmap (p. 3) for our MSN-CNL curriculum plan.

Careers

In addition, upon completion of the program, graduates from SLU's Master of Science in Nursing (Clinical Nurse Leader) program will be eligible to sit for the clinical nurse leader exam offered by American Association of Colleges of Nursing Commission on Nurse Certification.

Admission Requirements

The Saint Louis University Trudy Busch Valentine School of Nursing adheres to the principles of a holistic admission process in which selection criteria are broad-based and linked to our University's and school's mission and goals. While we do consider academic metrics, we also look at applicant experiences, attributes, potential for success, and how applicants may contribute to the school's learning environment and to the profession.

- Completion of a baccalaureate degree in nursing from a nationally accredited college or university.
- Undergraduate GPA of 3.2 or greater on a 4.0 scale.

Prerequisite Courses

- Completion of an undergraduate-level descriptive and inferential statistics course prior to enrollment in "Research Methods."

- Completion of a beginning-level health assessment course or the equivalent thereof prior to enrollment in "Advanced Health Assessment."

Application Requirements

Please follow the five steps outlined below to apply:

Step 1 - Application:

Submit the application form and pay the associated fee through NursingCAS (<https://nursingcas.org>). Select Saint Louis University.

Step 2 - Transcripts

Please submit your official transcripts from all colleges/universities attended directly to NursingCAS (<https://nursingcas.org>). They will provide details when the application is initiated.

Step 3 - Resume:

Attach your professional resume within the NursingCAS (<https://nursingcas.org>) application.

Step 4 - Professional Goal Statement:

Attach your professional goal statement within the NursingCAS (<https://nursingcas.org>) application. The goal statement should outline your nursing goals on a five-year trajectory. The statement should be one-to-two pages and double-spaced.

Step 5 - RN License:

Attach a copy of your unencumbered registered nurse license in the state in which clinical experience will be done within the NursingCAS (<https://nursingcas.org>) application.
