The Valentine School of Nursing is part of Saint Louis University's Medical Center, located on the south portion of campus. The facilities of the School of Nursing include three large lecture halls, classrooms, a nursing technologies laboratory, graduate research laboratories, conference rooms, faculty and staff offices, and student and faculty/staff lounges.

In addition to its undergraduate offerings, programs leading to the Master of Science in Nursing (Generalist), Master of Science in Nursing (Advanced Nursing Practice), Doctor of Nursing Practice (D.N.P.), Doctor of Philosophy (Ph.D.) in Nursing degrees, and a Post-Master's certificate are available online.

Advanced nursing practice master's degree programs and post-master's certificate programs are available online for the adult-gerontological acute care, family, pediatric primary care, and family psychiatric/mental health nurse practitioner options.
