BACHELOR'S TO LEADERSHIP AND ORGANIZATIONAL DEVELOPMENT, M.A. ACCELERATED PROGRAM

Saint Louis University's online accelerated bachelor's to master's program in leadership and organizational development is designed for working professionals pursuing a bachelor's degree through the School for Professional Studies who are also interested in a Master of Arts in Leadership and Organizational Development.

As part of the School for Professional Studies, this 12-credit, fully online program offers future leaders like you a flexible option to meet your personal career goals. With six accelerated, eight-week terms each year offered by SLU online, you can begin working toward your degree at any time, making advanced education more accessible for working professionals.

Leadership & Organizational Development, M.A. (https://catalog.slu.edu/colleges-schools/professional-studies/leadership-organizational-development-ma/)

Requirements

To participate in the bachelor's to master's accelerated program, students must be in good standing at Saint Louis University and possess at least a 3.00 overall GPA and a 3.50 GPA in their current major.

In addition:

- Students must meet all course prerequisites prior to enrolling in any graduate-level coursework.
- Students must petition, and be permitted by, the undergraduate program administrator and the respective School for Professional Studies program director to pursue the graduate-level coursework sought.

Students may choose from the following graduate courses:

Admission Requirements

To participate in the bachelor's to master's accelerated program, students must be in good standing at Saint Louis University and possess at least a 3.00 overall GPA and a 3.50 GPA in their current major.

In addition:

- Students must meet all course prerequisites prior to enrolling in any graduate-level coursework.
- Students must petition, and be permitted by, the undergraduate program administrator and the respective School for Professional Studies program director to pursue the graduate-level coursework sought.

Program Requirements

Students must maintain a minimum 3.00 overall grade point average (GPA) and a 3.50 GPA in their major. Students can take up to 12 credits from the M.S. program that will count for University electives in their bachelor's program. The courses included are:

Undergraduate Program Requirement	Met by Graduate Course
12 credits of University Electives	ORLD 5000, ORLD 5010, ORLD 5050, ORLD 5100, ORLD 5150, ORLD 5350

Students will not need to apply for admission to the graduate program to progress into the M.S., assuming they graduate from their undergraduate degree with a 3.50 overall GPA or above and have successfully obtained a "B" or better in each of the 12 credits of the accelerated sequence. Instead, students work with their academic coach to petition to matriculate into the graduate program.

The program director will review the materials and make a final decision. If students do not meet the 3.50 overall GPA requirement or fail to obtain a "B" or better in the bridge program courses, they may submit a full application for admission, which requires supplemental materials that may improve the probability of admission.

Continuation Standards

Students must maintain a minimum 3.00 overall grade point average (GPA) and a 3.50 GPA in their major.

Graduate Admission

Students will not need to apply for admission to the graduate program, assuming they graduate with a 3.50 overall GPA or above and have successfully obtained a "B" or better in each of the 12 credits of the accelerated sequence. Instead, students work with their academic coach to petition to matriculate into the graduate program.

The program director will review the materials and make a final decision. If students do not meet the 3.50 overall GPA requirement or fail to obtain a "B" or better in the bridge program courses, they may submit a full application for admission, which requires supplemental materials that may improve the probability of admission.
