

PROJECT MANAGEMENT, BACHELOR'S TO M.S. ACCELERATED PROGRAM

Saint Louis University's online accelerated bachelor's to master's program in project management is designed for working professionals pursuing a bachelor's degree through the School for Professional Studies who also are interested in pursuing a Master of Science Project Management.

This accelerated program allows undergraduate students to complete up to 12 graduate-level credits and have these credits count as undergraduate elective credits. After students are successfully accepted into an SPS graduate program, these credits matriculate towards the graduate program requirements.

As part of the School for Professional Studies, this 12-credit, fully online program offers technology-driven professionals like you a flexible option to meet your personal career goals. With six accelerated, eight-week terms each year offered by SLU online, you can begin working toward your degree at any time, making advanced education more accessible for working professionals.

Undergraduate Programs

Project Management, M.S.

Requirements

To participate in the bachelor's to master's accelerated program, students must be in good standing at Saint Louis University and possess at least a 3.00 overall GPA and a 3.50 GPA in their current major.

In addition:

- Students must meet all course prerequisites prior to enrolling in any graduate-level coursework.
- Students must petition, and be permitted by, the undergraduate program administrator and the respective School for Professional Studies program director to pursue the graduate-level coursework sought.

Students may choose from the following graduate courses:

Code	Title	Credits
PMGT 5000	Project Management Principles	0,3
PMGT 5010	Project Selection and Initiation	0,3
PMGT 5020	Planning Projects	0,3
PMGT 5030	Project Execution and Delivery	0,3

Continuation Standards

Students must maintain a minimum 3.00 overall grade point average (GPA) and a 3.50 GPA in their major.

Graduate Admission

Students will not need to apply for admission to the graduate program, assuming they graduate with a 3.50 overall GPA or above and have

successfully obtained a "B" or better in each of the 12 credits of the accelerated sequence. Instead, students work with their academic coach to petition to be matriculated into the graduate program.

The program director will review the materials and make a final decision. If students do not meet the 3.50 overall GPA requirement or fail to obtain a "B" or better in the bridge program courses, they may submit a full application for admission, which requires supplemental materials that may improve the probability of admission.
