ORGANIZATIONAL LEADERSHIP, POST-BACCALAUREATE CERTIFICATE

Work effectively as a self-aware, reflective change leader with a Graduate Certificate in Organizational Development from Saint Louis University’s School for Professional Studies. Strengthen your leadership through assessment, reflections, and project-based learning as you explore leadership at the personal, interpersonal/group, and organizational levels.

As part of the School for Professional Studies, this 12-credit program offers you a flexible option to meet your personal career goals. If you have obtained an undergraduate degree or higher, you may pursue a stand-alone certificate in Organizational Leadership. All courses are offered entirely online in 8-week terms through SLU online, making advanced education more accessible for working professionals.

If you complete the certificate, you also have the option of applying to the Master of Arts in Leadership and Organizational Development degree and, if accepted, have all of the certificate credits count toward the master’s degree.
