PROJECT MANAGEMENT, B.S.

Learn project strategy, contract management and project management math as you pursue industry certifications with the Bachelor of Science in Project Management program offered through Saint Louis University’s School for Professional Studies. Project-based learning and class simulators will prepare you to promote the widespread applicability of the five basic project management processes as outlined in the PMBOK®: initiating, planning, executing, monitoring and controlling, and closing.

The Project Management Institute (PMI) has named Saint Louis University a Registered Education Provider (R.E.P.). R.E.P.s are organizations that have been approved by PMI to help project managers achieve and maintain the Project Management Professional (PMP)®, Program Management Professional (PgMP)®, and other PMI professional credentials.

As part of the School for Professional Studies, this 120-credit degree program offers future and current leaders like you a flexible option to meet your personal career goals. With six accelerated, eight-week terms each year provided by SLU online, you can begin working toward your degree at any time, making advanced education more accessible for working professionals.

Scholarships and Financial Aid

There are two principal ways to help finance a Saint Louis University education:

- **Scholarships**: Scholarships are awarded based on academic achievement, service, leadership and financial need. The School for Professional Studies offers numerous scholarships (https://www.slu.edu/professional-studies/being-a-student/tuition-scholarships-aid/) and awards specifically for new students.
- **Financial Aid**: Financial aid is provided in the form of grants and loans, some of which require repayment.

To determine eligibility for financial assistance, submit the Free Application for Federal Student Aid (FAFSA) early for maximum consideration. FAFSA is available online at https://studentaid.gov/h/apply-for-aid/ (https://studentaid.gov/h/apply-for-aid/fafsa/).

For information on other scholarships and financial aid, visit the student financial services office online at https://www.slu.edu/financial-aid/.

Active Military and Veterans and First Responders

Honorably discharged veterans, active-duty military members, reserve members and first responders qualify for a reduced tuition rate of $295 per credit hour for any undergraduate program offered through the School for Professional Studies.

Learning Outcomes

1. Graduates will be able to describe the project management framework, addressing individual, team and organizational needs.
2. Graduates will be able to integrate leadership and management competencies to influence stakeholders.
3. Graduates will be able to use data to prioritize project resource requirements.
4. Graduates will be able to appraise project progress toward stated deliverables.
5. Graduates will be able to arbitrate trade-offs in delivering project success.

Roadmap
Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
