To be considered for a graduate assistantship, students must fill out the GA application (https://forms.gle/ZDdxuECgGiEKJjUXA/) by March 1.

Review Process

Applications are reviewed on a rolling basis. The admissions committee considers several factors to determine a candidate’s eligibility:

Scholarships
New and continuing students are eligible for merit-based scholarships. Prospective students who apply for admission by the priority deadline are automatically screened for scholarship eligibility. No additional application is required; awards are based on information provided in the admission application.

The priority deadline for fall is March 1.

Please note that the terms of scholarship are subject to change if the student petitions for a degree transfer or fails to remain in good academic standing.

Fellowships
The Doerr Fellowship for Equity and Inclusion (https://forms.gle/hMvcDizwrLfejJMN7/) is a full-tuition fellowship funded by the School of Social Work for new and continuing students. A separate application is required with a deadline of March 1. This fellowship requires that recipients serve as members of the School of Social Work’s Equity and Inclusion Committee. Recipients will also be expected to actively participate in the diversity, equity, and inclusion activities sponsored throughout the year by the Doerr Center.

Newly accepted master’s or doctoral students and students in the first year of a program are eligible to apply for a University-wide Diversity, Dissertation or Presidential fellowship. You must first submit the full application minus the nomination letter to the School of Social Work by Jan. 2 to be considered for nomination. Please click here (https://www.slu.edu/academics/graduate/graduate-scholarships-fellowships-assistantships.php) for more details on application components. Completed applications including all application components minus the nomination letter should be submitted as a PDF to kristi.richter@slu.edu.

Graduate Assistantships
By filling out a graduate assistantship application (https://forms.gle/ZDdxuECgGiEKJjUXA/) you will automatically be considered for a full or partial graduate assistantship with the School of Social Work. Assistantships are appointed for one year. Students must reapply to be considered for a second year and there are no guarantees that recipients will receive subsequent/continuing assistantships.

Full graduate assistantships are University-funded assistantships (UFA) awarded by the School of Social Work. They are assigned and funded for two semesters, a duration of nine months, 20 hours per week, working with designated faculty.

The full graduate assistant works with one or two faculty members, depending on faculty needs. Time is divided between both faculty mentors if the student is assigned two. Students who receive a fully-funded UFA in one year may not receive a UFA in subsequent years, although they remain eligible for partial assistantships throughout their pursuit of a graduate degree in the School of Social Work.

Partial graduate assistantships are funded and awarded by the School of Social Work. They are assigned and funded for two semesters, a duration of nine months, 8-16 hours per week, working with assigned faculty.

Partial assistantships may be assigned to assist with administrative work (GA), research (GRA), or faculty teaching (GTA). Depending on the hours assigned, tuition benefits will differ, health insurance and stipends are not awarded with partial assistantships.

Current Students
Current students may be eligible for conference/training funding, graduate assistantships and scholarships. For more information and applications, visit the School of Social Work’s Google Site (https://sites.google.com/a/slu.edu/schoolofsocialwork/).
